A few facts about the program:

- The RN to BSN program is a post-licensure pathway designed for students who have obtained a Washington RN license by the time classes start in September.
- The RN to BSN program is a selective admission program. Selective admission criteria are used when there are more applicants to the program than seats available.
- Graduates of LCC's associate degree nursing program (AN-DTA/MRP) may be able to complete the RN to BSN program in as little as one year (3 quarters) of full-time enrollment (15 credits per quarter, 45 credits total).
- This will be a hybrid program, with classes meeting in-person one evening a week.
- Both full- and part-time pathways will be available.

Applications Open May 10 – June 30
