May 1, 2024

Apply Today!

You can be on the path to making a difference in your community by earning a Bachelor of Applied Science degree in Teacher Education (BAS-TE). LCC's program will help you gain knowledge and skills to effectively work with students and collaborate with professionals throughout the field. This program is tailored for working adults with options for residency teacher certification or a focus in early care and education. LCC offers endorsements in elementary education and early childhood education.

Program Requirements:

- Complete program Application at: <https://lowercolumbia.edu/bas-te>
- Complete an associate degree or higher, or complete 90 college level credits from a regionally accredited institution prior to program start date
- Cumulative GPA of 2.5 or higher
- A grade of C or higher in the following required courses:
 - ENGL& 101
 - EDUC& 205
 - EDUC& 115
 - EDUC& 150
 - MATH& 131 and MATH& 132
 - HIST& 136 or HIST& 137
- Entry Assessment Scores (WEST-B, SAT, or ACT) – See “Testing Requirements” on the application page above for more information.
- Written proof of at least 33 hours of relevant work or volunteer experience in a professional setting with children within the previous five years
- Academic or professional resume and response to essay questions
- Get background check through OSPI: <https://ospi.k12.wa.us/certification/fingerprints-background-checks>
