**Enrollment Policy:** The mission of the LCC Early Learning Center is to provide high quality on-campus child care to support degree seeking students during their educational journey. Because we are participants of the CCAMPIS grant and serving LCC student parents is the primary mission of the ELC, the target for enrollment of the Center will be 75% students (must be certificate or degree seeking) and 25% faculty and staff. Upon graduation, students will transition to community child care, assisted by the ELC Family Navigator. Child care services for graduates may continue through August 31 after graduation if needed.

**Minimum Attendance:** The Early Learning Center requires a minimum enrollment of 3 full-days (over five hours of care each day) or 4 half-days (under 5 hours of care each day) per week.

The Early Learning Center is open to all children regardless of race, creed, color, national origin, or special needs. Childcare is available for children 1 month through Kindergarten entry.

**I give Lower Columbia College Early Learning Center permission to share my child’s enrollment information with Lower Columbia College Headstart/ECEAP for income verification and eligibility purposes.**
