## LCC Office Hours

**Regular Hours: Monday–Friday, 8 a.m.–5 p.m.**

### Registration and Entry Center–

Monday–Friday..... 8 a.m.–5 p.m.

### Cashiering–

Monday–Friday..... 8:15 a.m.–4:30 p.m.

(Closed 1-1:30 p.m. for lunch)

**Financial Aid hours are the same as Registration, except Wednesdays, when staff are only available from 11 a.m. until 2 p.m.**

*Student staff can provide limited assistance the rest of the day. Limited help hours give professional staff uninterrupted time to process aid requests and do necessary federal and state reporting.*

## About This Schedule:

Every effort is made to ensure that the information in this course schedule is accurate at the time of publication. The College reserves the right to change its class offerings as necessary. For the latest information, please check the online class schedule at [lowercolumbia.edu/classes](http://lowercolumbia.edu/classes).

LCC mails class schedules to all households in Cowlitz County four times each year to inform residents about college programs and services. Because they are addressed to “Residential Customer,” we are unable to remove individuals from our distribution route. Schedules can be recycled with your newspapers.

**Volume 12, No. 4, Fall 2020.** LCC Class Schedule (USPS 025-007) is published four times a year (November, February, April and June) by Lower Columbia College. The Lower Columbia College Office of Effectiveness & College Relations is located at 1600 Maple Street, Longview, WA 98632-0310. Periodicals postage paid at Longview, WA and at additional mailing offices.

POSTMASTER: Send address changes to Lower Columbia College, 1600 Maple Street, Longview, WA 98632-0310.

## Equal Opportunity, Affirmative Action, and Reasonable Accommodation

Lower Columbia College offers over 70 associate degree and certificate options in a variety of fields, providing a rich complement of technical/professional, basic skills, and continuing education programs. Degree or certificate seeking students must apply for program admission and register in the degree or certificate program. The College will take steps to ensure that lack of English language skills will not be a barrier to admission or participation in vocational education programs.

The College provides equal opportunity in education and employment and does not discriminate on the basis of race, color, national origin, age, perceived or actual physical or mental disability, pregnancy, genetic information, sex, sexual orientation, gender identity, marital status, creed, religion, honorably discharged veteran or military status, or use of a trained guide dog or service animal as required by Title VI of the Civil Rights Act of 1964, Title VII of the Civil Rights Act of 1964, Title IX of the Educational Amendments of 1972, Sections 504 and 508 of the Rehabilitation Act of 1973, the Americans with Disabilities Act and ADA Amendment Act, the Age Discrimination Act of 1975, the Violence Against Women Reauthorization Act and Washington State’s Law Against Discrimination, Chapter 49.60 RCW and their implementing regulations.

The following person has been designated to handle inquiries regarding non-discrimination, equal opportunity, affirmative action or the ADA policies or for Title IX/504 compliance issues: Director of Human Resources & Legal Affairs, 1600 Maple Street, Longview, WA 98632, Phone number, 360.442.2120, Phone number/TTY 800.833.6388.

The College publications are available in alternate formats upon request by contacting the Disability Support Services at 360.442.2340.

## Jeanne Clery Statement: Notice of Availability of Annual Security and Fire Safety Report

In compliance with the Jeanne Clery Disclosure of Campus Security Policy and Crime Statistics Act of 1998, and as a part of the College’s commitment to safety and security on campus, Lower Columbia College reports the mandated information about current campus policies concerning safety and security issues, the required statistics, and other related information for the past three (3) calendar years. Lower Columbia College’s **Annual Security and Fire Safety Report** is available online at [lowercolumbia.edu/CleryASFR](http://lowercolumbia.edu/CleryASFR).

### Non-credit classes:

Continuing Education class listings and registration information begin on page 34.

## Class Full? Get on the Waitlist!

Students may be added to the waitlist through the end of the day, Friday, September 18. If openings occur through the third day of the quarter (September 23), you'll be automatically moved from the waitlist into the class. Only students on the waitlist may fill open seats.

Being on the waitlist does not guarantee that you'll get in, or that a new section will be made available. Tuition and fee charges will not include waitlisted classes until you are registered in them. Please stop by the Registration office to remove yourself from a waitlist if you are no longer interested in being enrolled in a class. Check your waitlist status at [lowercolumbia.edu/online-services](http://lowercolumbia.edu/online-services).

*Cashier, the One-Stop Center, Financial Aid, Advising, and Registration are located in the Admissions Center. Questions? Contact the One-Stop Center, [onestop@lowercolumbia.edu](mailto:onestop@lowercolumbia.edu), phone 360.442.2322 or toll-free 1.866.900.2322.*

## Current Students

Registration begins June 1 for students who have attended LCC within the last quarter.

- 1. Log in to ctcLink** and visit your ctcLink Student Homepage. Find out your earliest registration date/time by clicking on the **Manage Classes** tile. Click on **Enrollment Dates**, located in the menu on the left hand side of the page.
- 2. Communicate with your program advisor** to review your academic plan and plan your class schedule. To find your advisor's information, log in to your ctcLink Student Homepage. Click on the **Academic Progress** tile and navigate to the **Advisors** link, located in the menu on the left hand side of the page.
- 3. Register** online or in person at Registration. Students taking more than 18 credits must register in person, when the campus is open.
- 4. Pay your tuition and fees** by the deadline listed on the Academic Calendar online. You may pay online with a credit or debit card using the ctcLink Student Homepage, Financial Account Tile or in person, when the campus is open, at the Cashier. Find out more about the delayed tuition payment option at [lowercolumbia.edu/payment-plan](http://lowercolumbia.edu/payment-plan).

Classes not listed above or classes that conflict with other finals		Please contact your instructor for your final exam time	
5:00 p.m.-10:00 p.m.	All Days	During Class	Talk to Instructor

Evening classes meeting once a week will take their final exam at the regular class time during finals week. Evening classes meeting more than once a week will take the final exam at the regular class time on whichever day during finals week the class agrees upon.

Students enrolled in online courses (DE section) are to contact their instructor for final exam information.

Students are not required to take final exams for more than two classes on a single day. If such a conflict arises, students are to contact their instructor to discuss alternative options. If no solution is determined after the initial meeting with the instructor, students may then petition the appropriate division dean. Arrangements must be made by the end of the 8th week of instruction. For assistance please contact the Office of Instruction by calling 360.442.2550. *Exam priorities shall be based on class meeting day order first, then meeting time.*

Final exams will be administered on the day designated on the final exam schedule. If a deviation from the scheduled day is desired, faculty must seek approval from the appropriate division dean. Time changes, unanimously approved by the class, are acceptable.

For any classes that conflict with other final exams please talk to your instructor for more information.

# TUITION & FEES

The Washington State Board for Community and Technical Colleges (SBCTC) has legislative authority to set tuition rates. They also set some fees, while other fees are determined at the college level. Basic tuition and fee rates are broken out on a per-credit basis for resident, non-resident, international and veteran students. There are two levels of tuition rates. Lower division rates apply to certificate and associate degree programs. Upper division rates apply to applied bachelor's degrees only. Additional (miscellaneous) fees are described below the tuition rates.

## Resident Students

Washington resident students must verify that they have lived in Washington for one year and have established residency in the State of Washington, including US Citizenship, permanent resident status, hold an A, E, G, H, I, K or L visa or have "refugee/asylum" status. If your residency cannot be determined at the time of admission, your tuition and fees will be calculated at the non-resident tuition and fee rate. Ask about residency at the Registration Office, 360.442.2370. Complete residency rules are detailed in RCW 28B.15.012.

Even if you are not a permanent resident or US Citizen, you may still qualify to pay in state tuition if you have:

- Resided in Washington state for the three (3) years immediately prior to receiving a high school diploma, and completed the full senior year at a Washington high school, OR completed the equivalent of a high school diploma (GED) and resided in Washington state for the three (3) years immediately before receiving the equivalent of the diploma; and
- Continuously resided in the State since earning the high school diploma or its equivalent.

If you are eligible, complete the HB 1079 affidavit (Washington Higher Education Affidavit/Declaration/Certification form), available in the Registration office in the Admission Center. The original should be submitted to the LCC Registration office. Contact the Registrar at 360.442.2372 for additional information.

## Oregon Border County Resident

Residents of Oregon Border Counties (Columbia, Clatsop, Multnomah, Washington) for 90 days or more may pay this rate.

## Non-Resident (Operating Fees Only Waiver)

Individuals who have lived in the State of Washington for 90 days or more and who are US Citizens or Permanent Residents, as defined by the INS, may pay this rate.

## Non-Resident

Those who are not eligible to pay the "Resident Students," "Oregon Border County Residents," or "Non-Resident: Operating Fees Only Waiver" rates, above, pay this rate.

## Veterans

Special rates are available for some Veterans. Visit the Veterans' Office in the Student Center or see [lowercolumbia.edu/veterans](http://lowercolumbia.edu/veterans) for details.

## Special Rates for Senior Citizens

If space is available after the first class meeting, Washington residents 60 or older may audit up to two classes for \$2.50 per class plus \$1.70 per credit facilities use fee, \$3.75 per credit technology fee and applicable lab fees.

**For a complete breakout  
of current tuition and  
fee rates please visit

# PAYING FOR COLLEGE

## ***Financial Aid***

[lowercolumbia.edu/financial-aid](http://lowercolumbia.edu/financial-aid)

There are two different application forms for financial aid. The **FAFSA** is for U.S. citizens and permanent residents of the U.S. The **WAFSA** is for people who are ineligible for federal financial aid due to immigration status.

## ***Basic Food, Employment & Training (BFET)***

[lowercolumbia.edu/bfet](http://lowercolumbia.edu/bfet)

Students who are eligible for federal basic food benefits may be eligible for BFET support.

## ***Opportunity Grant***

[lowercolumbia.edu/opportunity-grant](http://lowercolumbia.edu/opportunity-grant)

Unemployed or underemployed adults seeking a certificate or degree in a high demand career field may be eligible for an Opportunity Grant.

## ***Scholarships***

[lowercolumbia.edu/scholarships](http://lowercolumbia.edu/scholarships)

LCC awards over \$250,000 in scholarships every year. All scholarships are different, and many are not dependent on income eligibility. Scholarships cover tuition, student fees, books and supplies. Some scholarships also cover other expenses like transportation or childcare. The scholarship application period is usually open from early February to early April.

## ***Tuition Payment Plan***

[lowercolumbia.edu/payment-plan](http://lowercolumbia.edu/payment-plan)

LCC's payment plan allows you to pay your tuition in smaller, more convenient monthly payments. Once you enroll, payments are charged to your credit/debit card or come out of your bank account automatically.

## ***Veterans' Services***

[lowercolumbia.edu/veterans](http://lowercolumbia.edu/veterans)

LCC offers approved educational programs to eligible veterans and dependents of deceased or totally disabled veterans under Title 38 and Title 10, U.S. Code.

## ***Worker Retraining***

[lowercolumbia.edu/worker-retraining](http://lowercolumbia.edu/worker-retraining)

Worker Retraining is a state-funded program to help dislocated and unemployed workers retrain for a new career.

If you are a veteran who has served in the armed forces and are attending LCC, you are invited to join our Veteran Alliance Organization.

Washington State

LCC also has a Vet Corps Navigator onsite, as well as a Veterans' Center on the first floor of the Student Center.

## ONLINE LEARNING @ LCC

Online learning offers flexible scheduling for students with work, family or other responsibilities. LCC uses the Canvas course management system.

**Online:** students complete all course work via the Internet.

**Hybrid:** courses blend classroom sessions with online participation and learning.

**Enhanced:** courses meet in the classroom, but have additional, required online components.

### Need help with Canvas?

If your class listings shows this symbol  you will be using Canvas – LCC's online learning management system.

Schedule a free one-on-one Canvas help session in the Learning Commons, or call the eLearning office at 360.442.2520 or Tutoring at 360.442.2572.

## Business Technology

BTEC classes at LCC are offered in three different formats to meet a variety of student needs:

- Standard BTEC classes, where a lecture is presented and homework assigned.
- Online classes.
- Business Achievement Center classes, where students work on their own with the assistance of an instructor or an instructional support staff member.

### Business Achievement Center

The Business Achievement Center (BAC) is located in AAR 109. Hours are Monday-Friday 9a.m.-1p.m. and testing is Monday-Thursday 9a.m.-11a.m. Students must have photo ID to use the lab. Please contact the BAC at 360.442.2710 if you have any questions. Unless otherwise noted, a computer lab fee is charged for all BTEC courses.

⊗ These courses are clustered with other class sections that meet at the same time, in the same classroom. All BTEC DE sections are clustered.

### SKILL BUILDING CLASSES

These courses are open to all students pursuing any program.

### Host an International Student!

If you have a spare room and an open heart, you can provide a home away from home for an international student in our community. As a host, you'll provide room and board and friendship for a student studying at LCC. You'll learn about different cultures while sharing a slice of your American life. Host families come in all shapes and sizes and receive a monthly stipend. For more information, visit [lowercolumbia.edu/international](http://lowercolumbia.edu/international) or email [international@lowercolumbia.edu](mailto:international@lowercolumbia.edu)

## Cooperative Education

LCC's Cooperative Education Program enables students to earn college credit through supervised, work-based learning experience.

This program integrates theories, concepts and methods studied in the classroom with practical skills gained in the workplace. Students may earn one credit for every 33 hours of approved work experience. There is a limit of 1-5 credits per quarter, depending upon specific degree requirements.

To enroll in a Cooperative Education program, students must have prior permission from an instructor in the appropriate program and the Workforce Education Manager. For information, contact Lynell Amundson at 360.442.2601 or [lamundson@lowercolumbia.edu](mailto:lamundson@lowercolumbia.edu), or stop by PSC 101.

Cooperative Education students must attend a mandatory orientation. For more information, contact Lynell Amundson at 360.442.2601 or [lamundson@lowercolumbia.edu](mailto:lamundson@lowercolumbia.edu).

A \$14.30 lab fee will be charged for all 288 classes. All Cooperative Educations courses uses the CANVAS learning management system.

## GraduationPlus

In today's economy, you need a *high school diploma plus a college credential* to earn a living wage!

- Credits you earned in high school may also count toward a college credential.
- By 2023, four out of five job openings are expected to require at least some education beyond high school.
- Earning a two-year degree can **boost lifetime earnings by \$324,000** (on average) over a high school diploma alone.

## MATH BOOT CAMP

Save time, money and stress when you attend a Math Boot Camp. You can save up to \$573.95 if you test just one class higher! Best of all, it is FREE!

At the boot camp you will:

- Review important math concepts
- Learn test-taking strategies
- Discuss tips to overcoming math anxiety
- Learn about My Math Lab

Registration is required. Register online at [lowercolumbia.edu/math-boot-camp](http://lowercolumbia.edu/math-boot-camp), call 360.442.2360, or sign up in person at the Testing/Proctoring Center, Main Building, Room 128.

## Mathematics

Math classes at LCC are offered in three different formats to meet a variety of student needs:

- Standard math classes, where a lecture is presented and homework assigned.
- Online classes.
- Math Achievement Center classes, where students work on their own with the assistance of tutors and an instructor.

It is very important that students take the Placement Assessment before enrolling in math classes. This test helps to ensure that any prerequisites are met and that students enroll in the proper level of mathematics. The Placement Assessment is given in the Entry Center. Call 360.442.2311 for more information.

Online homework and electronic textbook for all MATH 078/079, 088/089, 087/097, 098/099, 141, 142, 146, 148, 152, and 153 provided by Pearson Education. To resolve technical problems, please contact Technical Support for MyMathLab via Canvas.

Please note: All mathematics prerequisites must be met with a grade of C or better. See your advisor or refer to the LCC catalog for more information. An \$8.00 lab fee will be charged for the following math classes: 078, 079, 087, 088, 089, 097, 098, and 099.

**Nursing**

The Lower Columbia College Nursing Program is committed to providing excellence in nursing education that encompasses critical thinking, competencies in the role of provider of care, manager of care and member of the profession of nursing, with an emphasis on life-long learning. Nursing is a demanding and rewarding profession that requires strong communication skills, excellent problem-solving abilities, focused concentration when performing a task, attention to detail, the ability to work well with others, and extensive knowledge of the sciences.

Students interested in a nursing career can find information about LCC's nursing programs at [lowercolumbia.edu/programs](http://lowercolumbia.edu/programs). Students who have been admitted to the nursing program should contact their advisor for course and registration information.

**Nursing Assistant (NURS 090)** is an 8-credit course that provides students the content and experience to give basic nursing care to patients under the supervision of a licensed nurse. Contact Leszek Cromwell at 360.442.2425 or Jill Yates at 360.442.2584 for course information and to register.

This course schedule conflicts with scheduled science labs; do not register for this course and any other courses that require face-to-face labs during the same quarter. Attendance is required for both this course and science labs, and it is not possible to attend both.

## Food, Nutrition, and Health-ONLINE

The goal of this course is to provide a holistic overview of current food and nutrition issues and their impact on physical, social, emotional, and spiritual health. Throughout this course, you will become more conscious of what you eat, why you eat it, how it is prepared, and what consequences your food choices have on your health as well as the health of the planet. You will also learn how to change your eating habits for more healthful outcomes, including swapping processed sugar for other sweeteners, adding probiotics to the diet, and harnessing the healing effect of herbs. Ultimately, you will gain insight into how food interacts with your body on multiple levels—physical, mental-emotional, and spiritual—as well as the impact it has globally. Register at [www.ed2go.com/lccbic](http://www.ed2go.com/lccbic) \$99

## Wellness and the Environment-ONLINE

This course focuses on the various ways the environment impacts human health. Learn about air and water safety, the global impacts of overpopulation and climate changes, and common health hazards found in the home. Discover steps for preventing or controlling disease, injury, and disability related to the interactions between people and their environment. Poor environmental quality has the greatest impact on people whose health status is already at risk. But with environmental health education, you can help address the societal and environmental factors that increase the likelihood of exposure and disease. Register at [www.ed2go.com/lccbic](http://www.ed2go.com/lccbic) \$54
