## LCC Office Hours

### Summer Office Hours

**Closed Fridays, June 27 – August 29**

#### Regular office hours for most offices:

Monday–Friday, 8 a.m.–5 p.m.

#### Registration

Monday–Thursday ..... 8 a.m.–5 p.m.

Fridays..... 10 a.m.–5 p.m.

**Cashiering is open 8:30 a.m.–4:30 p.m.**

**Financial Aid hours are the same as for**

**Registration, except Wednesdays, when professional staff are only available from 11 a.m. until 2 p.m.**

*Student staff can provide limited assistance the rest of the day. Limited help hours give professional staff uninterrupted time to process aid requests and do necessary federal and state reporting.*

## Equal Opportunity, Affirmative Action, and Reasonable Accommodation

It is the policy of Lower Columbia College to provide equal opportunity in education and employment regardless of sex, race, color, marital status, creed, age, national origin, sexual orientation, veteran status, religious preference, or the presence of any sensory, mental, or physical disability.

*Lea esta política en español al:*

[lowercolumbia.edu/affirmativeaction](http://lowercolumbia.edu/affirmativeaction)

The Title IX Equal Opportunity Officer and Section 504 Disability and ADA Coordinator is Lisa Matye Edwards. Her office is in the LCC Admissions Center, Room 159; her telephone number is 360.442.2301.

To request accommodations for a disability in the application process, students should contact the Disability Support Services office in Admissions Center Room 143 at least three days in advance: voice 360.442.2341, TTY 360.442.2344, or email [mmorgan@lowercolumbia.edu](mailto:mmorgan@lowercolumbia.edu).

Alternative format of this document is available upon request. Please contact Disability Support Services.

**Volume 6, No. 3, Summer 2014.** LCC Class Schedule (USPS 025-007) is published four times a year (November, February, April and June) by Lower Columbia College. The Lower Columbia College Office of College Relations and Marketing is located at 1600 Maple Street, Longview, WA 98632-0310. Periodicals postage paid at Longview, WA and at additional mailing offices. POSTMASTER: Send address changes to Lower Columbia College, 1600 Maple Street, Longview, WA 98632-0310.

### About This Schedule:

Every effort is made to ensure that the information in this course schedule is accurate at the time of publication. The College reserves the right to change its class offerings as necessary. For the latest information, please check the online class schedule at [lowercolumbia.edu/classes](http://lowercolumbia.edu/classes)

LCC mails class schedules to all households in Cowlitz County four times each year to inform residents about college programs and services. Because they are addressed to "Residential Customer," we are unable to remove individuals from our distribution route. Schedules can be recycled with your newspapers.

## University Students & 2014 Graduates *Save Time & Money This Summer!*

Summer quarter at Lower Columbia College offers a great value for university students who are home for the break and for 2014 high school graduates planning to start college in the fall.

A full range of general education courses that transfer to both public and private four-year colleges are held summer quarter. Each course you complete moves you closer to graduation. Plus, you'll save on tuition!

- Master Math—Pre-College Math or Statistics
- Study Spanish—in the classroom or online
- Speak Up—public speaking
- Earn 5 credits for less than \$575

If you are not seeking an LCC degree, but wish to take courses to transfer to other colleges follow the easy steps at [lowercolumbia.edu/summer](http://lowercolumbia.edu/summer)

### *June 2014 high school graduates*

New to college? Take a college success class and brush up on basic skills with pre-college math and English. Ease into college life with a lighter class load or pursue a special interest in Astronomy, Art or Computer Graphics. Your summer studies will prepare you for success the rest of the year.

### *Associate Transfer Degree Option*

Students who begin a four-year degree at Lower Columbia College save tuition costs as well as room and board. The Associate in Arts Direct Transfer Agreement provides a smooth transition to upper division studies at state public and private universities. Records show LCC graduates earn an average 3.34 GPA for their junior and senior years at their transfer university.

### *More good reasons to take summer classes:*

- Summer session is only eight weeks and some classes can be completed in six weeks or four weeks
- More room in computer labs, the library, parking lots
- FRIDAYS OFF!!

Consider completing one or more of these transferable Summer courses at LCC to satisfy requirements for your bachelor's degree. For course dates and times, plus options for online sections, see the course listings in this schedule or online at [lowercolumbia.edu/classes](http://lowercolumbia.edu/classes). Check with your university advisor about other LCC Summer courses that will meet your degree requirements.

# HOW TO REGISTER

Go to [lowercolumbia.edu/registration](http://lowercolumbia.edu/registration) to access the following steps

## Current Students

Registration is now open for both current and new students.

1. **Find out your earliest registration date/time** online at [lowercolumbia.edu](http://lowercolumbia.edu). Student ID Number and Global PIN required.
2. **Meet with your program advisor** to plan your Summer class schedule and get your Quarterly Registration PIN. If you have not received an email listing your program advisor, contact the Entry Center.
3. **Register** online or in person at Registration. Students taking more than 18 credits must register in person.
4. **Pay your tuition and fees** by Friday of the week you register. You may pay online with a credit or debit card or in person at the Cashier. See Delayed Tuition Payment options on page 7.

### Which PIN Do You Need?

**Global PIN**—Received from Registration. Use to log in for most online services.

**Quarterly Registration PIN**—Received from your advisor before priority registration; also online during open registration. You need a new one each quarter to register for classes.

## New Students

Registration is now open for both current and new students. Staff assistance and computers are available in the Admissions Center.

1. **Apply for admission**  
Online or in person at the Entry Center.
2. **Apply for financial aid, if needed.**  
Go to [lowercolumbia.edu/finaid](http://lowercolumbia.edu/finaid) for instructions and forms. More information on page 7.
3. **Determine your program**  
Visit the Career Center to take an interest assessment, explore careers, and access career resources. The results will help you choose a program leading to a career that is right for you. At the Center, or from your own computer, print out a copy of the program planner(s) for the program(s) of study that interest you. Go to [lowercolumbia.edu/programs](http://lowercolumbia.edu/programs).
4. **Practice and take a placement test**  
Students planning to earn a degree or certificate or transfer to a four-year institution need to have skill levels assessed before registering for classes. Placement assessments are given at the Admissions Center testing lab. Testing takes approximately three hours. Recommendations based on your results help you select the right classes. Find practice materials online.
5. **Sign up and attend orientation for advising and to register**  
Contact the testing lab to make an appointment. Advisors will assist you with registering for classes during orientation. Bring your program planner(s), placement test scores and previous college transcripts. (All transcripts must be officially evaluated before courses begin.) Review the class schedule and map out what time you have available for classes and studying.
6. **Pay your tuition and fees** by 5 p.m. Friday of the week you register. You may pay online with a credit or debit card or in person at the Cashier in the Admissions Center. If you need more time to pay, see Delayed Tuition Payment options on page 7.

### Not planning a degree or certificate?

Register at Registration starting April 15. Pay your tuition at the Cashier, pay online or set up a payment plan online.

**Non-credit classes:** Continuing Education class listings and registration information begin on page 23.

## Class Full? Get on the Waitlist!

When a class is full, you may choose to be added to the waitlist. If openings occur through the third day of the quarter (July 9), you'll be automatically moved from the waitlist into the class. Only students on the waitlist may fill open seats.

Being on the waitlist does not guarantee that you'll get in, or that a new section will be made available. Tuition and fee charges will not include waitlisted classes until you are registered in them. Check your waitlist status at [lowercolumbia.edu/online-services](http://lowercolumbia.edu/online-services)

# ONLINE REGISTRATION & PAYMENT

Go to [lowercolumbia.edu/registration](http://lowercolumbia.edu/registration) to access the following steps

## 1. Check Your Registration Date and Time

Choose registration date/time. Log in with your Student ID Number and Global PIN. Schedule an appointment and meet with your Program Advisor 1-2 weeks before you register to select your classes and receive your Quarterly Registration PIN.

## 2. To Register Online

Besides your class list, you'll need your Student ID Number and Quarterly Registration PIN. For classes that require instructor permission, you'll need an Entry Code.

Select Register Online. Follow the instructions and complete your schedule. Don't forget to print your schedule before you leave. If you attempt to register for two classes that meet at the same time or overlap, the computer will block your registration.

## 3. Pay Your Tuition or Set Up a Payment Plan Online!

Paying online is easy and secure. You can use your credit or debit card to pay in full, or set up an automatic payment plan. If you register online, you can pay at the end of your registration session or return later. See Delayed Tuition Payment Options, page 7.

If you register in person, you can still pay online. You'll need your Global PIN, received when you register for the first time.

Tuition and fees must be paid by Friday of the week you register.

## 4. Add or Drop Classes

You may add or drop classes online through the third day of class. Select Register Online. Follow the instructions for adding or dropping a class. Don't forget to print a copy of your revised schedule. You can also handle any adjustments to your tuition or fees online.

- Pay your tuition and fees
- Set up a payment plan
- Check tax credit information
- Change your Global PIN
- Print your class schedule
- Print out an unofficial transcript
- Check waitlist status

# Tuition & Fees

## Resident Students (Column A)

Washington resident students must verify that they have lived in Washington for one year and have established residency in the State of Washington, including US Citizenship. If your residency cannot be determined at the time of registration, you will be required to pay non-resident tuition and fees. Ask about residency at the Registration Office, 360.442.2370. Complete residency rules are detailed in RCW 28B.15.012.

Even if you are not a permanent resident or US Citizen, you may still qualify to pay in-state tuition if you have graduated (or will) from a Washington state high school. Contact the Registrar at 360.442.2371.

## Oregon Border County Residents (Column B)

Residents of Oregon Border Counties (Columbia, Clatsop, Multnomah, Washington) for 90 days or more may pay this rate.

## US Citizens & INS Permanent Residents (Column C)

Individuals who have lived in the State of Washington for 90 days or more and who are US Citizens or Permanent Residents, as defined by the INS, may pay this rate.

## Other US Citizens and Foreign Students (Column D)

Those who are not eligible to pay the "Resident Students," "Oregon Border County Residents," or "US Citizens and INS Permanent Residents" rates, above, pay this rate. (See Column D.)

## Veterans (Column E)

Special rates are available for some Veterans. See the Veterans' Office in the Admission Center, or call 360.442.2393 for eligibility information.

## Special Rates for Senior Citizens

If space is available after the first class meeting, Washington residents 60 or older may audit up to two classes for \$2.50 per class plus \$1.25 per credit facilities use fee and applicable lab fees.

# Paying for College

## Applying for Financial Aid

### Who is eligible?

To qualify for Financial Aid you must:

- Have a high school diploma or GED
- Be a U.S. citizen or eligible non-citizen
- Be registered with the Selective Service (if required)

Other eligibility issues may be identified in the FAFSA process.

### What financial aid is available?

Grants, loans, work study employment and scholarships are available to help cover college costs. Special aid programs are also offered for veterans, dislocated workers and first generation students.

### How to apply

Students apply for financial aid online through the LCC website. Computers are available for student use in the Admissions Center. Priority deadlines are set for each quarter to allow 3-6 weeks for an application to be processed.

To receive financial aid, a student **MUST** complete the FAFSA

1. Review “7 Easy Steps to the FAFSA” at [lowercolumbia.edu/finaid](http://lowercolumbia.edu/finaid). To complete the application, a student will need:
  - Social Security Number.
  - Income statements, tax or estimated income tax, bank statement. Visit FAFSA to learn more.
  - LCC’s federal school code: 003782
2. Follow the instructions at [www.fafsa.gov](http://www.fafsa.gov) and complete the application.
3. Applicants should check their status at LCC’s Financial Aid Portal and upload any requested documents. Do this at [lowercolumbia.edu/finaid](http://lowercolumbia.edu/finaid). The applicant will use their Social Security Number and birth date (mm/dd/yy) to log in the first time.

### How do I know if aid is approved? Get my money?

You will be notified of any financial aid awards through the Financial Aid Portal (see Step 3). Read your award notice carefully.

If you apply for Financial Aid and register for classes, we assume you are accepting your financial aid award. **If you meet the priority deadline and qualify, your Financial Aid check will be mailed to you before classes begin.**

If you decide not to attend, notify Financial Aid right away to cancel your award.

Review information about class changes or academic progress that might impact your award. Check with your advisor or at the Entry Center for support services to help you succeed in your classes.

### Financial Aid Hours

Monday/Tuesday/Thursday 8 a.m. - 5 p.m.

Wednesday 11 a.m. - 2 p.m.

Friday 10 a.m. - 5 p.m.

Summer Hours: Closed Fridays

## Scholarships

Lower Columbia College awards over \$250,000 in scholarships every year. The online process lets students apply for multiple LCC scholarships with a single application. There is no cost to apply.

Scholarships are based on varied criteria, including:

- Program of Study – Nursing, Art, Automotive, Chemistry, Education and more
- Merit – Based on GPA (usually 2.0 to 3.5) or demonstrated community service or leadership
- Need – Demonstrated financial need based on federal guidelines
- General – Qualify for general awards with broad, flexible criteria

These funds can be used to pay for tuition, student fees, books and supplies. Some awards will cover other expenses such as transportation or childcare.

### Looking for your dream job?

The Career Center at Lower Columbia College provides career exploration and employment services to current students, alumni and community members in all stages of their academic and professional careers. This is a free service open to everyone. Visit the Career Center in the Admissions Center to identify your interests and talents, research potential careers, learn how to prepare for future employment, search for jobs, and receive help with resume writing and interview skills.

### Delayed Tuition Payment Options

Need more time to pay your tuition? Here are three options:

**Payment Plan:** For a \$30 fee you can enroll in a payment plan that charges your credit/debit card or bank account on a monthly basis. For information or to sign up, go to [lowercolumbia.edu/costs-aid](http://lowercolumbia.edu/costs-aid)

**Defer Your Tuition:** Tuition is due the Friday after you register. You can defer your full tuition payment until April 1 by paying \$25 of your tuition plus a \$10 fee at the Cashier. Ask for a Tuition Deferment.

### Waiting for your Financial Aid funds?

Apply for Financial Aid by the priority deadline (May 26 for Summer Quarter 2014). If your file is complete, with all requested documents, you can register and make arrangements to delay tuition payment until your aid arrives. To do this, apply for an “Administrative Hold” at the Financial Aid Office after you register. The summer deadline is June 15.

If you miss either deadline, you will need to pay your own tuition to stay enrolled.

# Learning Communities

Teamwork is a good approach to achieve success in sports, at work and in college. Lower Columbia College students who belong to study teams as part of a class or other organized program complete their courses and degrees more often and in less time than those who go it alone. The following programs of study are available this quarter for students who want to improve their chances of success at LCC.

## I-BEST

### *Fast track to a college certificate & job*

Many people who want to train for a new career also need to improve their skills in math, reading, and writing to find a job. The Integrated Basic Education & Skills Training (I-BEST) program provides hands-on training for high demand job fields, with an extra instructor to help with reading, writing, math, speaking and listening skills in the same class.

You attend class with the same instructors and the same students to learn job skills and to earn college credit toward a certificate in one of five job fields. Students also spend 2-5 hours each week in study sessions with their classmates where they receive hands-on instruction dedicated to helping them succeed.

Special programs coordinator Jill Yates will help each student register for the classes they need. Contact her at 360.442.2584 or [jyates@lowercolumbia.edu](mailto:jyates@lowercolumbia.edu)

## Business Technology

This 4-quarter certificate program prepares graduates to work in an office setting. All credits can be applied toward the two year AAS degree. Classes meet each week in classrooms and/or private academic support labs.

<b>BUS 144</b>	<b>Management of Human Relations:DIV</b>

## Diesel/Heavy Equipment Technology

The Diesel/Heavy Equipment Technology program prepares students for a career in any industry that utilizes trucks, excavators, bulldozers, other heavy equipment or industrial equipment using diesel power and hydraulic devices. Graduates find work with truck and heavy equipment dealers, railroads, and marine operations using tug and fishing boats. You may also work in industrial maintenance, auto and RV repair. Students also have access to private academic support classes meeting daily.

**DHET 104** Vehicle Climate Control

## Early Childhood Education

This one certificate and two-year degree program prepares graduates to work in preschool and childcare programs as early childhood education teachers and includes hands on training in the Home and Family Life Center.

## Health Occupations/Nursing Assistant

LCC's Nursing Assistant program provides the content and experience to prepare students to take the State of Washington Nursing Assistant certification exam.

I-BEST Health Occupations (HOC) is only offered in the fall and spring. Some classes also fulfill requirements for the pre-nursing and medical assisting programs.

**NURS 090** Nursing Assistant

## Manufacturing Occupations

Learn the basic skills needed for entry-level jobs. This certificate provides a strong foundation in production, machining and welding processes providing access to many jobs in industries that use machine tools and fabrication processes to produce goods. This certificate also provides courses that can be applied to more specialized degrees and certificates.

## Buying Your Books

The Lower Columbia College Bookstore makes it easy for you to get your textbooks. Here's how:

- Stop by the Bookstore (in the Student Center) with your schedule and the staff will find your books for you. Some used books are available for most courses so, if possible, shop early. Students now have the option of renting many of their books as well.
- Buy books online at [lowercolumbia.edu/bookstore](http://lowercolumbia.edu/bookstore) and pick them up in-store or have them shipped to your home. Textbooks will be available online beginning June 6th.

### Bookstore Hours

## Cooperative Education

LCC's Cooperative Education Program enables students to earn college credit through supervised, work-based learning experience.

This program integrates theories, concepts, and methods studied in the classroom with practical skills gained in the workplace. Students may earn one credit for every 33 hours of approved work experience. There is a limit of 1-5 credits per quarter, depending upon specific degree requirements.

To enroll in a Cooperative Education program, students must have prior permission from an instructor in the appropriate program and the Work Based Learning Manager, Dani Trimble. For more information, contact Dani at 360.442.2622, email dtrimble@lowercolumbia.edu or stop by the Career Center, Admissions Building 120.

Cooperative Education 288 students must attend a mandatory orientation either 3-4 p.m. or 5:30-6:30 p.m. on Friday, June 27, 2014. Orientation will be held in the Main Building (MAN), Room 146.

Cooperative Ed 288 students must also enroll in a 1-credit Cooperative Education 289 seminar. The seminar focuses on work-related topics that complement the student's work-based learning experience. The seminar meets weekly on Thursdays from noon until 1 p.m. in the Main Building (MAN), Room 148. A \$13.70 lab fee will be charged for all 288 classes.

## Host an International Student!

If you have a spare room and an open heart, you can provide a home away from home for an international student in our community. As a host, you'll provide room & board and friendship for a student studying at LCC. You'll learn about different cultures while sharing a slice of your American life. Host families come in all shapes and sizes and receive a monthly stipend. For more information, visit [lowercolumbia.edu/international](http://lowercolumbia.edu/international) or email [international@lowercolumbia.edu](mailto:international@lowercolumbia.edu)

## Individualized Certificate

The Individualized Certificate Program (ICP) provides an option for students to participate in a specialized training program combining LCC courses and a cooperative work experience with a local employer. Students will be expected to attend a classroom seminar to build a career portfolio while learning to conduct informational interviews with professionals in their field. Students will learn how to search for future employment and build an employment portfolio.

Students may earn a Certificate of Proficiency (45+ credits) by completing all credit requirements established for their specialized program.

For more information please contact the Work Based Learning Manager, Dani Trimble, at 360.442.2622 or email dtrimble@lowercolumbia.edu

# College Your Way: Flexible Choices

## ONLINE LEARNING @ LCC

Online learning at Lower Columbia College offers flexibility for those with work, family and other responsibilities to complete college courses and even a degree without a regular commute to campus.

**Online** - Students complete all course work via the Internet.

**Hybrid** - Courses blend classroom sessions with online participation and learning. For example: students go online, read lessons, take a practice quiz; then come to a face-to-face class and practice what they learned online.

The online learning process requires the same commitment as a traditional course. Staying up with the class and completing all work on time is vital. Once a learner gets behind, it is very difficult to catch up.

The majority of LCC online and hybrid courses are facilitated through the learning management system, Canvas.

# LCC Honor Students Tackle Studies And New Challenges

The courage to tackle new challenges while achieving top grades in their college studies is a trait shared by honorees Holly Lemmons and Russell Kennington, who represent Lower Columbia College on the 2014 All Washington Academic Team.

Annually, the All Washington Academic Team program recognizes and honors two students from each community and technical college for scholastic achievement and community and college service. The LCC team members were recognized at a ceremony in Olympia on March 27 and each received a \$500 award from the LCC Foundation.

## Motivated LCC Students Get A Running Start

Both students chose to jump start their college studies by participating in the Running Start program, for high school juniors and seniors. The pair is on track to graduate from LCC this June with plans to transfer to universities where they will pursue bachelor's and master's degrees.

Lemmons began LCC courses while completing her high school diploma at Kelso and then continued as a full-time college student this year in order to earn her transfer degree at a lower tuition cost and in less time. She appreciates the smaller learning environment offered at a community college and the opportunity it provides to connect with people. Her interest in working with people also led Lemmons to volunteer work at St. John's Medical Center, escorting patients and directing visitors.

Last fall she overcame her fear of public speaking by joining LCC's competitive debate team earning both a scholarship and awards for her efforts. In March, Lemmons' performance contributed to the fifth place community college finish by the LCC Fighting Smelt Forensics Team at the Pi Rho Phi National Tournament. The experience has greatly improved her communication skills and self-confidence, valuable in achieving her career goals in business management and marketing.

Success at her part-time barista job influenced Lemmons' career choice after her manager complimented her talents and gave her responsibility for additional work areas, such as product displays and holiday inventory. As a Certified Barista Trainer, she was selected to train coworkers older than herself. Although hesitant at first, she enjoyed sharing her knowledge and the opportunity for growth.

Inspired by her mother, who completed a master's degree several years ago, Lemmons strives to be the best in school, at her job and in activities like debate team. She has compiled a 3.72 GPA for her college studies and is starting the Coffee Master program at work.

## Computers And Music Interest Top Student

Kennington enrolled at LCC after completing all of the math and science courses at his high school. He has maintained a 4.0 GPA, earning a spot on the President's List each quarter, and will complete both his high school diploma and Associate in Science Transfer degree in June.

His goal is to earn a bachelor of science degree and master of science degree in Computer Science in preparation for a career in computer programming. Last summer, he designed, coded, tested and implemented a new website for Castle Rock High School; his first time undertaking such a project. To successfully design both the layout and structure of the site, Kennington worked with school faculty and administrators and with the technology department to learn server limitations. Testing the limits of his knowledge, he had to learn new concepts each time he added a piece of functionality.

Although he was not eligible for a paid position through the college's tutoring program, Kennington made himself available to help classmates in math, physics and computer science courses. He enjoys "aha" moments for himself and when helping others learn. Growing up, midnight math sessions with his father and siblings were common as they assisted each other in understanding new math concepts.

He has also volunteered with the North Coast Veterans' Stand Down, the annual Castle Rock (city-wide) Clean-Up and the Seattle to Portland Bicycle Classic.

Last year Kennington earned a Superior rating in piano solo competition for his performance of Scriabin's *Prelude for Left Hand, Op. 9*. He selected the piece because it is beautiful and challenging. Future goals include gaining proficiency at sight reading music and learning to bake croissants.

"I will search for, and find, a career in a satisfying niche of computing," Kennington said. "But throughout my schooling and beyond, I will not forget the things that make me happy and who I am."

*All Washington Academic Team members from LCC celebrate with their families after being recognized at the 2014 award ceremony in Olympia. Above: Holly Lemmons with her parents Dean and Nadine and sister, Jaycee. Below: Russell Kennington with his mother Carolyn.*

## Mathematics

(See also: Math Achievement Center)

Math classes at LCC are offered in three different formats to meet a variety of student needs:

- Standard math classes, where a lecture is presented and homework assigned.
- Online classes
- Math Achievement Center classes, where students work on their own with the assistance of tutors and an instructor. See the next page.

It is very important that students take the Placement Assessment before enrolling in math classes. This test helps to ensure that any prerequisites are met and that students enroll in the proper level of mathematics. The Placement Assessment is given in the Entry Center. Call 360.442.2311 for more information.

Online homework and electronic textbook for all MATH 078/079, 088/089, 098/099, 141, 142, 153, and 210 provided by Pearson Education. To resolve technical problems, please contact Technical Support for MyLabsPlus at 1.888.883.1299 or helpdesk@lowercolumbia.mylabsplus.com

Please note: All mathematics prerequisites must be met with a grade of C or better. See your advisor or refer to the LCC catalog for more information.

## Nursing

The Lower Columbia College Nursing Program is committed to providing excellence in nursing education that encompasses critical thinking, competencies in the role of provider of care, manager of care and member in the discipline of nursing, with an emphasis on life-long learning. Nursing is a demanding and rewarding profession that requires strong communication skills, excellent problem-solving abilities, focused concentration when performing a task, attention to detail, the ability to work well with others, and extensive knowledge of the sciences.

Students interested in a nursing career can find information about LCC's nursing programs at [www.lowercolumbia.edu/programs](http://www.lowercolumbia.edu/programs). Students who have been admitted to the nursing program should contact their advisor for course and registration information.

Nursing Assistant (NURS 090) is an 8-credit course that provides students the content and experience to give basic nursing care to patients under the supervision of a licensed nurse. Please contact Bev Ylen, Nursing and Allied Health Program Assistant, 360.442.2860 for course information and to register.

## LCC Offers New High School Diploma Program For Adults

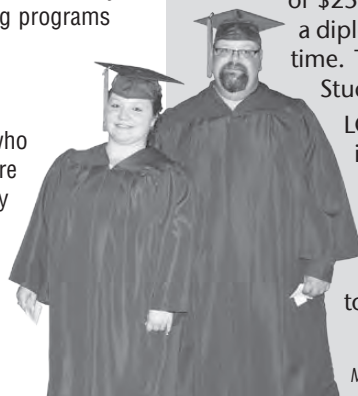

Adults, age 21 and older, have a new, low-cost option to earn a high school diploma through a program now available at Lower Columbia College. The HS21+ program is a comprehensive, competency-based approach tailored to adult learning styles, with both day and evening classes on campus and in the community.

Students earn credit toward a high school diploma both through classroom studies and by demonstrating knowledge gained in the workplace, life experiences and military service. Previous high school and college studies also count.

LCC instructors and staff assess students' experiences to measure any gaps in education and work readiness and then create a plan to help them complete studies needed for their diploma.

HS21+ students are eligible for the Basic Skills tuition rate of \$25 per quarter for classes needed to earn a diploma. Students may begin studies at any time. To get started, contact the Transitional Studies Department at 360.442.2580.

LCC began offering the HS21+ program in Summer 2013. Nearly 80 students have completed studies to graduate with their high school diploma through winter quarter. Even better, many graduates have continued on to college studies.

# CORPORATE & CONTINUING EDUCATION

Corporate & Continuing Education at Lower Columbia College assists individuals and business/industry to meet their personal, professional and corporate education and training needs by offering non-credit classes to the community. These classes are offered both on-site and online, to accommodate the needs of our students.

## Kids College

The Continuing Education department at Lower Columbia College is excited to once again offer Kids College 2014! Kids College is a terrific opportunity for children ages 8-12 to have fun, engage in educational and entertaining activities, and make new friends. Classes are held on the LCC Campus.

All sessions run Monday-Thursday with four sessions to choose from: Computers, Art, Science and Apple iPad. Register for one or all four sessions, but space is limited so don't delay! ***If you register siblings or you register for 2 or more classes, be sure to ask about our \$10 savings!***

### Recycled Art

Help the planet and RECYCLE! In this class students will create art made from recycled objects, such as beads, picture frames; old CD's or bottle caps. Discover treasures from a variety of sources and turn them into Recycled art! Students will be exposed to sources of materials, ideas for transforming those materials into objects of art, and methods of construction. Get in on the nation-wide movement of green consciousness by keeping things from being disposed of through creative reuse! DTV 201 (Max Wade) \$59

CLCE 042 A 8090 M-TH 7/14-7/17 10 a.m.-12 p.m.

### Computer Essentials

Computers are an important part of our daily lives, helping us to communicate, learn and stay connected with friends and family. Often times our children know more than we do when it comes to using the computer, but do they know the nine necessary skills for computer proficiency? In this class, they will master the nine computer skills every child should know before entering high school. Students will explore creating simple word document, inputting equations into Excel, creating a PowerPoint and even learn basic email etiquette. AAR 108 (David Juneman) \$59

CLCE 042 G 8120 M-TH 7/21-7/24 9-11 a.m.

### Hands-On Geometry

In this Kids College course, students will put their math skills to the test! They will learn to construct accurate angle measuring devices and test these by measuring large heights and distances outdoors. Students will see how Math and Art work together by creating art projects that will involve the geometry of tessellations, fractals, and Pascal's triangle. They will then observe and measure these same geometric concepts in the great outdoors. The culminating activity is a campus-wide treasure hunt that will require the use of geometry, angle measurement, and basic surveying skills. DTV 201 (Joel Stetzer) \$59

CLCE 042 E 8110 M-TH 8/11-8/14 1-3 p.m.

### Summer Blockbuster: Apple iMovie

Create your own summer blockbuster using Apple iMovie! Learn to develop a movie storyboard, take video, add a soundtrack and create a Hollywood style movie trailer. We will let our creativity take over during movie week, using our creative writing skills to create the elements of our movie and incorporating photos, video clips and more! On our last day parents can join us for our LCC Kids College Film Festival! *Students are not required to have an iPad; we will be working in groups. However they are welcome to bring them if they have iMovie downloaded.* DTV 201 (Leeann Curry) \$59

CLCE 042 C 8100 M-TH 8/18-8/21 9-11 a.m.

## Travel & Outdoors

### Cannon Beach Sandcastle Festival

Cannon Beach, named "one of the best art towns in America" is once again playing host to the 50th Annual Sandcastle Festival. Master builders will take over 4 miles of beach under the shadow of Haystack Rock to complete their masterpieces! Join us for an afternoon sandcastle creations, food, music and fun! Transportation to and from Cannon Beach is provided, lunch and sightseeing on your own, group outing optional. \$25

CLCE 038 A 8075 Sat 6/21 9 a.m.-4 p.m.

These programs are developed by a team of professionals from each field. Instructors/mentors are actively involved in your learning experience, responding to questions or concerns and encouraging and motivating students to succeed.

Areas of interest include: Healthcare & Fitness, Business & Professional, IT & Software Development, Management & Corporate, Media & Design, Hospitality & Gaming, Skilled Trades & Industrial, Sustainable Energy & Going Green, and more!

## White Salmon Rafting

In the beautiful Columbia River Gorge you will find the Wild and Scenic stretch of the White Salmon River that offers non-stop whitewater action and clear glacier melt from Mt. Adams. Starting your rafting experience in BZ Corner it won't take long to get hooked on the excitement of this gorgeous river. The very first rapid, class III+ "Top Drop" will give you just a little taste of the whitewater action there is to come. Paddling through the basalt-walled gorge you'll find yourself thinking "Is there possibly a more beautiful or magical place?" Riding the "bull" through "Rattlesnake" rapid is a highlight for most rafting guests on the White Salmon River (Wildwater River Guides) \$69

### Keppner Tregoe Project Management

Organizations achieve results and profit through projects. While each project may be different, project teams need a shared process to produce the desired project results. KT Project Management supports project management as a team effort. Project managers and team members can better define and plan projects while anticipating and responding to issues during the implementation process. Through the KT Project Management training, teams will learn to tap into the know-how of individuals, develop consensus, gain commitment, and resolve conflicts. Everyone works on the same wavelength, using a common approach and language.

The KT Project Management process consists of four distinct processes, each addressing a specific aspect of project management.

- **Definition**, used to appraise the need for the project and clarify timing, cost, and performance parameters.
- **Planning** is used to determine who will do what and when.
- **Implementation**, addresses the controlled and effective use of resources to achieve project results.
- **Project Management Communication** is woven throughout definition, planning, and implementation.

Training dates: Tuesday, June 24 - Thursday, June 26 from 8 a.m.-5 p.m. in the Don Tally Building, Room 201. \$675

Clock hours for educators are available for this training.

**Registration deadline is Tuesday, June 3. Call 360.442.2840 or visit online at [www.lowercolumbia.edu/ce](http://www.lowercolumbia.edu/ce)**

### CSI Bigfoot, Where Legend Meets Science-NEW

CSI Bigfoot, Where Legend Meets Science-NEW

CSI Bigfoot, the first ever college course devoted to the scientific examination of the questions and controversies surrounding Bigfoot. Is a giant undiscovered creature roaming the wilds of the Pacific Northwest? Native American legends and decades of credible reports beckon the curious to look deeper. Students will be exposed to the latest evidence and analysis while developing their own theories through the use of a unique flow chart assessment instrument. Join us as we peel back the layers of time and misinformation to get to the bottom of this mystery once and for all. DTV 201 (Mitchel Townsend) \$39

CLCE 040 A 8060 T 7/8-8/5 5-7 p.m.

### Thinking Inside the Box

This class will investigate artistic imagery contained within a box or other enclosed structure. Assemblage, the process of combining visual elements inside a container, has a rich history. From ancient reliquaries, through Victorian shadow boxes, and contemporary photographic montages the power of the box has endured. The resultant depth and shadowing of the imagery produces a psychological power that isn't possible in traditional 2 dimensional art works. We will begin with experiments in construction techniques and move on to producing work inside a box. We will cover ideas for finding and creating visual elements, as well as techniques for constructing boxes, niches, drawers, etc. and sourcing existing containment objects. Max will provide numerous examples of box-oriented work. MAN 109 (Max Wade) \$75

## Business & Professional Development

LCC offers a variety of services supporting workforce development and customized training through the Corporate & Continuing Education Department. Working with area businesses, industries and agencies, LCC offers Work Keys profiling and assessment services to provide employers, employees and job seekers with direct information regarding the skills needed to succeed in various jobs. Employees and job seekers can measure their skills and compare them to skill profiles for specific jobs. Follow-up training using Key Train and other tools is available.

Employees and job seekers can document skill proficiency by taking the three assessments on the National Career Readiness Certificate (NCRC) – Applied Mathematics, Reading for Information and Locating Information. The NCRC is a portable, evidence-based credential that certifies essential skills needed for workplace success.

LCC also offers computer skills testing, typing tests and other tests to measure the skill level of employees and applicants.

Support for companies looking for specialized training is also available. LCC frequently works with employers to provide or arrange customized training in a variety of areas, including job-specific Spanish language courses, quality assurance, business computer applications, customer service, and other areas critical to organizational success.
