LCC Office Hours

Regular Hours:

Monday–Friday, 8 a.m.–5 p.m.

Registration and Entry Center –

Monday–Friday 8 a.m.–5 p.m.

Cashiering –

Monday–Friday 8:15 a.m.–4:30 p.m.
(Closed 1-1:30 p.m. for lunch)

Financial Aid hours are the same as Registration, except Wednesdays, when staff are only available from 11 a.m. until 2 p.m.

Student staff can provide limited assistance the rest of the day. Limited help hours give professional staff uninterrupted time to process aid requests and do necessary federal and state reporting.

Volume 12, No. 1, Winter 2020. LCC Class Schedule (USPS 025-007) is published four times a year (November, February, April and June) by Lower Columbia College. The Lower Columbia College Office of Effectiveness & College Relations is located at 1600 Maple Street, Longview, WA 98632-0310. Periodicals postage paid at Longview, WA and at additional mailing offices.

POSTMASTER: Send address changes to Lower Columbia College, 1600 Maple Street, Longview, WA 98632-0310.

Equal Opportunity, Affirmative Action, and Reasonable Accommodation

Lower Columbia College offers over 70 associate degree and certificate options in a variety of fields, providing a rich complement of technical/professional, basic skills, and continuing education programs. Degree or certificate seeking students must apply for program admission and register in the degree or certificate program. The College will take steps to ensure that lack of English language skills will not be a barrier to admission or participation in vocational education programs.

The College provides equal opportunity in education and employment and does not discriminate on the basis of race, color, national origin, age, perceived or actual physical or mental disability, pregnancy, genetic information, sex, sexual orientation, gender identity, marital status, creed, religion, honorably discharged veteran or military status, or use of a trained guide dog or service animal as required by Title VI of the Civil Rights Act of 1964, Title VII of the Civil Rights Act of 1964, Title IX of the Educational Amendments of 1972, Sections 504 and 508 of the Rehabilitation Act of 1973, the Americans with Disabilities Act and ADA Amendment Act, the Age Discrimination Act of 1975, the Violence Against Women Reauthorization Act and Washington State's Law Against Discrimination, Chapter 49.60 RCW and their implementing regulations.

The following person has been designated to handle inquiries regarding non-discrimination, equal opportunity, affirmative action or the ADA policies or for Title IX/504 compliance issues: Director of Human Resources & Legal Affairs, 1600 Maple Street, Longview, WA 98632, Phone number, 360.442.2120, Phone number/TTY 800.833.6388.

The College publications are available in alternate formats upon request by contacting the Disability Support Services at 360.442.2340.

About This Schedule:

Every effort is made to ensure that the information in this course schedule is accurate at the time of publication. The College reserves the right to change its class offerings as necessary. For the latest information, please check the online class schedule at lowercolumbia.edu/classes

LCC mails class schedules to all households in Cowlitz County four times each year to inform residents about college programs and services. Because they are addressed to "Residential Customer," we are unable to remove individuals from our distribution route. Schedules can be recycled with your newspapers.

Check out our newest program options!

Bachelor of Applied Science in Teacher Education – LCC’s first applied bachelor’s program will prepare you for a career in education or early childhood education. We offer both certification and non-certification options. Interested in attending part-time? Apply November 15, 2019 – April 17, 2020 to start in summer 2020! Learn more at lowercolumbia.edu/bas-te.

Engineering Technician Certificate – Learn how to provide technical support to engineers in mechanical, industrial, civil, electrical, aerospace, computer, or environmental fields. Students attending full-time can complete this program in four quarters. Learn more at lowercolumbia.edu/programs.

Multicraft Trades Certificate – Prepare for a career in the skilled trades, enter an apprenticeship, or transition into an LCC degree program such as Advanced Manufacturing, Diesel/Heavy Equipment Technology, Machine Trades, or Welding. Full-time students can complete this program in three quarters (or less with transfer-in high school/career connected learning credits). Learn more at lowercolumbia.edu/programs.

Production Technician Certificate – Designed to prepare production operators for industries using high technology equipment and processes, students attending full-time can complete this program in four quarters. Learn more at lowercolumbia.edu/programs.

New technology tools for students!

ctcLink - in early March 2020, LCC will be transitioning to a new computer system called ctcLink (the “ctc” stands for community & technical colleges). We think students are going to love some of the new tools! The Academic Advisement Report/Degree Audit allows you to see which classes you still need to take in order to graduate. The What-if Report allows you to see which classes you would need if you changed your program of study. Learn more at lowercolumbia.edu/ctclink.

Navigate - Use the new Navigate app to check your to-do list, see important dates & deadlines, explore career & program options, communicate with your advisor, view your class schedule, find campus resources, and more! Learn more at lowercolumbia.edu/navigate.

VitaNavis - LCC’s new career tool allows you to discover your interests and research different career and educational pathways. Learn more at lowercolumbia.edu/careerservices.

Continuing Education class listings and registration information begin on page 34.

Class Full? Get on the Waitlist!

Students may be added to the waitlist through the end of the day, Friday, January 3. If openings occur through the third day of the quarter (January 8), you'll be automatically moved from the waitlist into the class. Only students on the waitlist may fill open seats.

Being on the waitlist does not guarantee that you'll get in, or that a new section will be made available. Tuition and fee charges will not include waitlisted classes until you are registered in them. Please stop by the Registration office to remove yourself from a waitlist if you are no longer interested in being enrolled in a class. Check your waitlist status at lowercolumbia.edu/online-services.

Cashier, the One-Stop Center, Financial Aid, Advising, and Registration are located in the Admissions Center. Questions? Contact the One-Stop Center, onestop@lowercolumbia.edu, phone 360.442.2322 or toll-free 1.866.900.2322.

Current Students

Registration begins November 18 for students who have attended LCC within the last quarter.

Find out your earliest registration date/time online at lowercolumbia.edu. Student ID Number and Global PIN required.

2. Meet with your program advisor to plan your class schedule and get your Quarterly Registration PIN. If you have not received an email listing your program advisor, contact the Entry Center.

3. Register online or in person at Registration. Students taking more than 18 credits must register in person.

4. Pay your tuition and fees by the deadline listed on the Academic Calendar online. You may pay online with a credit or debit card or in person at the Cashier. See Delayed Tuition Payment options on page 7.

Which PIN Do You Need?

Global PIN – Received from Registration. Use to log in for most online services.

Quarterly Registration PIN – Received from your advisor before priority registration; also online during open registration. You need a new one each quarter to register for classes.

Classes not listed above or classes that conflict with other finals		Please contact your instructor for your final exam time	
5:00 p.m.-10:00 p.m.	All Days	During Class	Talk to Instructor

Evening classes meeting once a week will take their final exam at the regular class time during finals week. Evening classes meeting more than once a week will take the final exam at the regular class time on whichever day during finals week the class agrees upon.

Students enrolled in online courses (DE section) are to contact their instructor for final exam information.

Students are not required to take final exams for more than two classes on a single day. If such a conflict arises, students are to contact their instructor to discuss alternative options. If no solution is determined after the initial meeting with the instructor, students may then petition the appropriate division dean. Arrangements must be made by the end of the 8th week of instruction. For assistance please contact the Office of Instruction by calling 360.442.2550. *Exam priorities shall be based on class meeting day order first, then meeting time.*

Final exams will be administered on the day designated on the final exam schedule. If a deviation from the scheduled day is desired, faculty must seek approval from the appropriate division dean. Time changes, unanimously approved by the class, are acceptable.

For any classes that conflict with other final exams please talk to your instructor for more information.

TUITION & FEES

The Washington State Board for Community and Technical Colleges (SBCTC) has legislative authority to set tuition rates. They also set some fees, while other fees are determined at the college level. Basic tuition and fee rates are broken out on a per-credit basis for resident, non-resident, international and veteran students. There are two levels of tuition rates. Lower division rates apply to certificate and associate degree programs. Upper division rates apply to applied bachelor's degrees only. Additional (miscellaneous) fees are described below the tuition rates.

Resident Students

Washington resident students must verify that they have lived in Washington for one year and have established residency in the State of Washington, including US Citizenship, permanent resident status, hold an A, E, G, H, I, K or L visa or have "refugee/asylum" status. If your residency cannot be determined at the time of admission, your tuition and fees will be calculated at the non-resident tuition and fee rate. Ask about residency at the Registration Office, 360.442.2370. Complete residency rules are detailed in RCW 28B.15.012.

Even if you are not a permanent resident or US Citizen, you may still qualify to pay in state tuition if you have:

- Resided in Washington state for the three (3) years immediately prior to receiving a high school diploma, and completed the full senior year at a Washington high school, OR completed the equivalent of a high school diploma (GED) and resided in Washington state for the three (3) years immediately before receiving the equivalent of the diploma; and
- Continuously resided in the State since earning the high school diploma or its equivalent.

If you are eligible, complete the HB 1079 affidavit (Washington Higher Education Affidavit/Declaration/Certification form), available in the Registration office in the Admission Center. The original should be submitted to the LCC Registration office. Contact the Registrar at 360.442.2372 for additional information.

Oregon Border County Resident

Residents of Oregon Border Counties (Columbia, Clatsop, Multnomah, Washington) for 90 days or more may pay this rate.

Non-Resident (Operating Fees Only Waiver)

Individuals who have lived in the State of Washington for 90 days or more and who are US Citizens or Permanent Residents, as defined by the INS, may pay this rate.

Non-Resident

Those who are not eligible to pay the "Resident Students," "Oregon Border County Residents," or "Non-Resident: Operating Fees Only Waiver" rates, above, pay this rate.

Veterans

Special rates are available for some Veterans. Visit the Veterans' Office in the Student Center or see lowercolumbia.edu/veterans for details.

Special Rates for Senior Citizens

If space is available after the first class meeting, Washington residents 60 or older may audit up to two classes for \$2.50 per class plus \$1.70 per credit facilities use fee, \$3.75 per credit technology fee and applicable lab fees.

**For a complete breakout
of current tuition and
fee rates please visit

PAYING FOR COLLEGE

Financial Aid

lowercolumbia.edu/financial-aid

There are two different application forms for financial aid. The **FAFSA** is for U.S. citizens and permanent residents of the U.S. The **WAFSA** is for people who are ineligible for federal financial aid due to immigration status.

Basic Food, Employment & Training (BFET)

lowercolumbia.edu/bfet

Students who are eligible for federal basic food benefits may be eligible for BFET support.

Opportunity Grant

lowercolumbia.edu/opportunity-grant

Unemployed or underemployed adults seeking a certificate or degree in a high demand career field may be eligible for an Opportunity Grant.

Scholarships

lowercolumbia.edu/scholarships

LCC awards over \$250,000 in scholarships every year. All scholarships are different, and many are not dependent on income eligibility. Scholarships cover tuition, student fees, books and supplies. Some scholarships also cover other expenses like transportation or childcare. The scholarship application period is usually open from early February to early April.

Tuition Payment Plan

lowercolumbia.edu/payment-plan

LCC's payment plan allows you to pay your tuition in smaller, more convenient monthly payments. Once you enroll, payments are charged to your credit/debit card or come out of your bank account automatically.

Veterans' Services

lowercolumbia.edu/veterans

LCC offers approved educational programs to eligible veterans and dependents of deceased or totally disabled veterans under Title 38 and Title 10, U.S. Code.

Worker Retraining

lowercolumbia.edu/worker-retraining

Worker Retraining is a state-funded program to help dislocated and unemployed workers retrain for a new career.

If you are a veteran who has served in the armed forces and are attending LCC, you are invited to join our Veteran Alliance Organization.

Washington State

LCC also has a Vet Corps Navigator onsite, as well as a Veterans' Center on the first floor of the Student Center.

ONLINE LEARNING @ LCC

Online learning offers flexible scheduling for students with work, family or other responsibilities. LCC uses the Canvas course management system.

Online: students complete all course work via the Internet.

Hybrid: courses blend classroom sessions with online participation and learning.

Enhanced: courses meet in the classroom, but have additional, required online components.

Need help with Canvas?

If your class listings shows this symbol  you will be using Canvas – LCC's online learning management system.

Schedule a free one-on-one Canvas help session in the Learning Commons, or call the eLearning office at 360.442.2520 or Tutoring at 360.442.2572.

Host an International Student!

If you have a spare room and an open heart, you can provide a home away from home for an international student in our community. As a host, you'll provide room and board and friendship for a student studying at LCC. You'll learn about different cultures while sharing a slice of your American life. Host families come in all shapes and sizes and receive a monthly stipend. For more information, visit lowercolumbia.edu/international or email international@lowercolumbia.edu

Cooperative Education

LCC's Cooperative Education Program enables students to earn college credit through supervised, work-based learning experience.

This program integrates theories, concepts and methods studied in the classroom with practical skills gained in the workplace. Students may earn one credit for every 33 hours of approved work experience. There is a limit of 1-5 credits per quarter, depending upon specific degree requirements.

To enroll in a Cooperative Education program, students must have prior permission from an instructor in the appropriate program and the Career Connected Learning Coordinator. For information, contact Brian DeMar at 360.442.2610 or bdelmar@lowercolumbia.edu, or stop by the Corporate & Continuing Education Office, Don Talley Building, Room 105.

Cooperative Education students must attend a mandatory orientation. Orientations will be held by appointment only. Please contact Brian DeMar to make an appointment.

A \$14.30 lab fee will be charged for all 288 classes.

Bachelor of Applied Science in Teacher Education

Interested in attending part-time?
Apply November 15, 2019 - April 17, 2020
to start in summer 2020!

- Offering both certification and non-certification options.
- Certification option offers a dual endorsement in Early Childhood (P-3) and Elementary (K-8) Education.
- Non-certification option provides specialized coursework for working with children and families in early learning settings.
- Combines knowledge earned from previous degrees such as an Associate of Applied Science with upper division (300 and 400 level) Teacher Education courses.
- Will help meet community demand for elementary and pre-kindergarten and early childhood education teachers in the region.
- First degree for LCC at the applied bachelor's degree level.

There are many benefits of the new program
for prospective students.

- Studying close to home saves on expenses related to travel, room and board.
- Staying with LCC through the entire degree and credentialing process reduces stress related to applying to other institutions and transferring credits.
- Going to school in the community where you live and work increases exposure to prospective employers and job opportunities.

GraduationPlus

In today's economy, you need a *high school diploma plus a college credential* to earn a living wage!

- Credits you earned in high school may also count toward a college credential.
- By 2023, four out of five job openings are expected to require at least some education beyond high school.
- Earning a two-year degree can boost lifetime earnings by \$324,000 (on average) over a high school diploma alone.

Mathematics

Math classes at LCC are offered in three different formats to meet a variety of student needs:

- Standard math classes, where a lecture is presented and homework assigned.
- Online classes.
- Math Achievement Center classes, where students work on their own with the assistance of tutors and an instructor.

It is very important that students take the Placement Assessment before enrolling in math classes. This test helps to ensure that any prerequisites are met and that students enroll in the proper level of mathematics. The Placement Assessment is given in the Entry Center. Call 360.442.2311 for more information.

Online homework and electronic textbook for all MATH 078/079, 087/097, 088/089, 098/099, 125, 141, 142, 146, 148, 151, 152, and 153 provided by Pearson Education. To resolve technical problems, please contact Technical Support for MyLabsPlus at 1.888.883.1299 or helpdesk@lowercolumbia.mylabsplus.com

Please note: All mathematics prerequisites must be met with a grade of C or better. See your advisor or refer to the LCC catalog for more information.

Nursing

The Lower Columbia College Nursing Program is committed to providing excellence in nursing education that encompasses critical thinking, competencies in the role of provider of care, manager of care and member of the profession of nursing, with an emphasis on life-long learning. Nursing is a demanding and rewarding profession that requires strong communication skills, excellent problem-solving abilities, focused concentration when performing a task, attention to detail, the ability to work well with others, and extensive knowledge of the sciences.

Students interested in a nursing career can find information about LCC's nursing programs at lowercolumbia.edu/programs. Students who have been admitted to the nursing program should contact their advisor for course and registration information.

Nursing Assistant (NURS 090) is an 8-credit course that provides students the content and experience to give basic nursing care to patients under the supervision of a licensed nurse. Contact Leszek Cromwell at 360.442.2425 or Jill Yates at 360.442.2584 for course information and to register.

This course schedule conflicts with scheduled science labs; do not register for this course and any other courses that require face-to-face labs during the same quarter. Attendance is required for both this course and science labs, and it is not possible to attend both.

What If It Snows?

LCC doesn't operate school buses, so we may be open when local schools have closed.

If the campus remains open during inclement weather, personal safety and good judgment should be the foremost considerations as you decide whether to come to campus.

How to find out if campus is open or closed:

Social Media — Emergency information will be posted on twitter.com/lowercc and facebook.com/LowerColumbiaCollege.

FlashAlert — Check local TV or radio stations. If the campus closes due to severe weather, the media will be notified by 6 a.m. for day classes, and 2 p.m. for evening classes. If the campus closes for any other reason, the media will be notified immediately. Sign up to receive FlashAlert messages at flashalert.net/id/lcc and/or download the "FlashAlert Messenger" app.

Web — Check lowercolumbia.edu for current closure status.

Telephone — Call the LCC Message Line at 360.442.2000.

I-BEST PUTS STUDENTS ON FAST TRACK TO CAREER & STUDENT SUCCESS

Integrated Basic Education & Skills Training (I-BEST) is a proven program for student success. I-BEST students have double the certificate/degree completion rate, a result of hands-on training combined with twice the support and instruction to help students excel. I-BEST faculty and professional/technical faculty work together in the classroom in a team teaching partnership and I-BEST instructors are available for up to five hours or more each week to assist students in an academic support classroom where instruction is targeted to classroom studies. College credits earned can be applied toward two year Associate degrees in eight high demand career fields.
