A Brief History of Academic Dress

Academic dress evolved over many years from the robes worn by medieval students, usually clerics in the cathedral schools and monasteries established by the Catholic Church. In 1321, the University of Coimbra began requiring its faculty to wear gowns (most likely for warmth in the unheated medieval buildings). Later the various colleges of the University of Cambridge adopted specific styles and color combinations for its faculties. On May 26, 1895, institutional representatives met at Columbia University to establish a uniform code for U.S. academic attire.

The hood bears the colorful standard of academic symbolism, revealing the level of the degree, the academic field of learning in which the degree was earned, and the institution that conferred the degree.

Made of the same material as the gown, the hood varies in length from 3 feet for the bachelor's degree, to 3.5 feet for the master's and 4 feet for the doctoral degrees. The color or colors of the lining of the hood indicate the institution that conferred the degree. The hood is trimmed or edged in a border either two, three, or five inches wide for the respective degrees. The border color represents the faculty or field of study in which the degree was awarded.

Approved cap of the academic costume is the mortarboard, a stiff 9-inch square on a soft cap made of the same cotton poplin or spun rayon as the gown. Velvet material is reserved for the Doctor's degree. A silk cord with tassel is attached to the button in the center of the board. The length of the cord and tassel may vary with the degree of the wearer. The tassel and cord may be black for any degree, but only the Doctor may wear a gold metallic cord and tassel. The tassel may reflect the color of the field in which the degree was earned, and a few institutions use tassel colors to indicate academic honors. These colors represent the various fields of learning:

Music: Pink	Public Health: Salmon Pink	Engineering: Orange
Nursing: Apricot	Science: Yellow	Fine Art: Brown
Oratory, Speech: Silver Gray	Social Work: Citron	Forestry: Russet
Philosophy: Dark Blue	Arts, Letters, Humanities:	Journalism: Crimson
Physical Education:	White	Law: Purple
Sage Green	Business, Commerce: Olive	Library Science: Lemon
Public Administration:	Education: Light Blue	
Peacock Blue	Economics: Copper	

A gold medallion indicates a member of the **All-Washington Academic Team**.

A silver medallion indicates a **Scholastic Achievement Award** winner.

(HH) = Highest Honors: Students who have maintained a grade point average of 3.8 to 4.0 as of winter quarter are awarded their degrees with the highest honors. Both Honors and High Honors graduates wear a gold cord.

(H) = Honors: Students who have maintained a grade point average of 3.5 to 3.79 as of winter quarter are awarded their degrees with honors.

(PTK) = Phi Theta Kappa: LCC students with a grade point average of 3.5 or better are invited to join Phi Theta Kappa and remain members in good standing. Phi Theta Kappa members wear a gold stole.

(RS) = Running Start: These students are graduating from both LCC and their high school because they took LCC classes while still in high school.

Lower Columbia College Alma Mater

These welcome halls that we have come to know
As we push forward
Where we've learned and come to grow
Have helped us look ever onward
Standing with our Alma Mater
Always by her side
We will travel near and far
But always on our mind and deep within our hearts
LCC we will always cherish thee
Our community among the rivers three
Thanks to you, Our beloved LCC

*The music and lyrics for
LCC's new Alma Mater
were introduced in 2017.*

*Composer: Yana Pisarchuk,
LCC Class of 2017.*

*Lyricist: Alex Blum,
LCC Class of 2016.*
