Password must have:
- At least 8 characters
- 1 UPPERCASE letter
- 1 lowercase letter
- 1 number (0, 1, 2, 3, …)
Step 8: Enter your preferred Email address.

Step 9: Select a Security Question from the dropdown menu.

Step 10: Provide the Answer to your security question.

Step 11: Review the additional Account Recovery options located in the Account Recovery box.
   a. Enter Phone Number for text (SMS) option.
   b. Enter Phone Number for voice option.

**If you enter a phone number, this option may be used for account recovery, in the event that you forget your password.

Step 12: Create your Password. (Your password must have at least 8 characters, including at least one uppercase letter, one lowercase letter and one number. Special characters may be used but are not required.)

Step 13: Confirm your Password.

Step 14: Select the Submit button.

Step 15: A pop-up message displays with your ctcLink ID number. Make note of your ctcLink ID number.

Step 16: Select the OK button.

Step 17: The Account Activation confirmation message displays.

Step 18: Close the browser tab. Make sure to close all browsers completely for the update to take place.

That’s it! You have successfully activated your ctcLink account. Now let’s log in for the first time.
First time Login to ctcLink

After activating your account, close your web browser completely (including all open tabs).

Open a new web browser and navigate to the ctcLink mobile page - https://wa130.ctcLink.us.

Click the “Activate ctcLink Account” tile.

Enter your ctcLink ID into the ctcLink ID field and click the next button.

Enter your password into the Password field, then select the Verify button.

Select Student Homepage from the left side menu on the ctcLink portal landing page.

Account activation is complete!

After completing account activation, the best way to access ctcLink is using the ctcLink login tile available at wa130.ctcLink.us or using the ctcLink mobile app.
