Tax Filers

You may be able to import your IRS information directly into your FAFSA using the Data Retrieval Tool (DRT). If you are able to import your IRS information directly into your FAFSA, you are not required to submit a signed IRS Tax form 1040 and Schedules 1, 2, and 3, if filed, to the LCC Financial Aid Office. If you have already submitted your FAFSA, you may still be able to import your IRS information by logging back into your 2022-23 FAFSA, click the Financial Information Tab and follow the on-screen instructions to transfer your IRS information into your FAFSA.

Using the Internal Revenue Service (IRS) Data Retrieval Tool When Completing a FAFSA

1. What is the IRS Data Retrieval Tool (DRT)?
 - The DRT allows students and parents to retrieve their tax information from the IRS, if a tax return was filed, and avoid manually entering this information on the FAFSA.
 - Students and parents of dependent students will need to retrieve their IRS information separately when completing the FAFSA.
2. Why should I use the DRT?
 - Using the DRT will shorten the amount of time it will take you to complete your FAFSA.
 - Students and/or parents who import their tax data are NOT required to provide a copy of their IRS Tax Return Transcript for verification. This simplifies the verification process and allows the financial aid office to award students much quicker.
3. Can anyone use the DRT? No, the DRT is not available in the following situations:
 - The student/parent is married and either the student/parent or his/her spouse filed as Married Filing Separately or Head of Household.
 - The parents' marital status is "Unmarried and both legal parents living together."
 - The student/parent filed a Puerto Rican or foreign tax return.
 - Taxes filed within the last three weeks, if filing electronically, or 6-8 weeks after filing by paper/mail. It could take longer depending on peak IRS processing times.
4. I or my parents was unable to use the DRT, what do I do now?
 - You/your spouse and/or parents must enter your income information manually, AND
 - Per Department of Education rules, you/your spouse and/or parents are required to provide a copy of your IRS Tax Transcript (not account transcript) for verification.

Obtaining a copy of your Tax Information

If you are unable to locate a copy of your IRS Tax Form 1040 and Schedules 1, 2, and 3 that were sent to the IRS you must request an IRS Tax Transcript.
