

## 2023-2024 TUITION WAIVER APPLICATION

If you are currently in financial crisis or have an inability to pay the remainder of your tuition and fees due to financial need, you may be eligible for a tuition waiver. The tuition waiver only pays tuition and fees, not books and supplies. Due to low availability of funding, we can only award one tuition waiver per student/per year and we are unable to fund all student requests.

Per the Washington State Legislature, we are required to give first priority to students experiencing an excessively high loan balance that will be difficult to repay given employment opportunities and average starting salaries in the chosen field of study. Second priority, is to students who are single parents. If you do not meet either of these priorities, you may still be eligible if funds are available.

To be eligible, you must:

- Complete a 2023-24 FAFSA or WASFA that includes LCC as your school of choice, if you haven't already, and
- Submit all required documents to complete your financial aid file, and
- Your financial aid status must be in good standing: you are not suspended, in default, or owe a repayment to LCC, federal, or state agency, and
- Be a Washington State Resident according to Registration Office records, and
- Have an unmet financial need according to your FAFSA Expected Family Contribution (EFC), Cost of Attendance (COA), and Financial Aid Awards (COA minus EFC minus Awards = Unmet Need), and
- Be registered for at least 3 credits

Check the quarter for which you are requesting a tuition waiver:
