HONORING OUR PAST AND BUILDING THE PROMISE OF A HEALTHY FUTURE

For nearly 37 years, the Lower Columbia College Foundation has served as the critical link between the community and the college in advancing its mission “to provide financial assistance to students, to encourage public support for the college, and to strengthen the teaching, learning and cultural environment of the college and the community.”

Our founding leadership set an ambitious vision for the future and the community has rallied their support over the years to help fulfill it. Today, the LCC Foundation provides over half a million dollars in student scholarships and direct program support to the college. This valuable funding is one of the reasons Lower Columbia College has remained strong during one of the most difficult budgetary and economic times in its nearly 80-year history.

Students have never had more financial barriers to higher education than today – as tuition has increased 41 percent over the last five years, and state and federal financial aid have been cut dramatically. Because of this, scholarships and other sources of financial aid play an even greater role in ensuring student success and completion than ever before.

Like its founders, the current LCC Foundation Board of Directors is committed to building a healthy future for generations of students to come. We are indebted to our community of supporters, who generously give of their time and valuable resources to help our students succeed. The careful stewardship of these gifts has been a tremendous honor for the foundation.

For our scholarship sponsors, we thank you! Your scholarship gift is an investment in a student’s future, a very bright future. For the LCC Foundation, the annual scholarship social remains an important tradition, as it is our time to give thanks to those who make a huge difference in the lives of so many.

As we celebrate and honor our rich history, we look forward to the legacy of the tomorrow that we are building today.

We thank each and every one of you for your continued support – we couldn’t do it without you.

ENDOWED SCHOLARSHIPS ADMINISTERED BY THE LOWER COLUMBIA COLLEGE FOUNDATION

The **TERRY REINIGER MEMORIAL SCHOLARSHIP** was established in 2005 from a bequest received from Mr. Reiniger's estate. He was the comptroller and office manager at Columbia Ford and volunteered as lighting director for LCC drama productions for many years. Terry worked tirelessly for the program and directed a portion of his estate to create a scholarship fund for LCC drama students.

THE DAILY NEWS ENDOWED SCHOLARSHIP was established in December of 2002 through a gift from the Howard Charitable Foundation. Howard Publications owned *The Daily News* from 1999-2002 and established the endowment as a permanent gift of thanks to the community. First preference for awarding this scholarship is given to students majoring in the communications field.

The **THEODORE MCCLELLAND NATT ENDOWED SCHOLARSHIP** was established in 1999 to honor the life of Ted M. Natt, former editor and publisher of *The Daily News* from 1977 until his retirement in June of 1999. This scholarship provides opportunity and encouragement for students wishing to pursue their education at LCC.

The **WENDY ADAMS MEMORIAL ENDOWED SCHOLARSHIP** was established in 2007 in honor of Wendy Adams support to Lower Columbia College. This scholarship supports students with academic merit and financial need who are pursuing a Liberal or Fine Arts degree.

THE WILLIAM C. DAVIS JR. SCHOLARSHIP was established in February 1997 by his wife, Anne J. Davis. Mr. Davis graduated from the University of Oregon where he earned a BS/BA in Business. He served two years in the U.S. Navy and started the Cowlitz Candy and Tobacco Co. in 1953. He was a member of the LCC Booster Club and was involved in many community activities. The scholarship assists students who intend to pursue a business administration degree at a four-year university.

The **BYRDENA STOUFFER CORNELL ENDOWED SCHOLARSHIP** was established in 1980 for students with financial need pursuing a degree in developmental education.

The **CHARLENE C. LEFEBRE MEMORIAL ENDOWED SCHOLARSHIP** was established in 1999 to provide tuition assistance to students with academic potential.

The **DONALD G. AND DORIS M. FELTHOUS MEMORIAL ENDOWED SCHOLARSHIP** was endowed in 1989 at the time of Donald's death. Mr. Felthous was instrumental in the founding of LCC. This scholarship provides tuition assistance to full-time students who are pursuing engineering or forestry-related careers, and who have maintained a 3.0 minimum grade point average.

The **LOWER COLUMBIA COLLEGE NURSING ALUMNI SCHOLARSHIP** was established by three alumni of our nursing program: Bryan Lomax, Ed Hunt, and Don Schaefer. These three former students were grateful for the scholarship help they received while earning their degrees and wanted to create an endowed scholarship to help others. Through fundraising efforts and a generous matching donation from Mark and Theresa McCrady and their families, the dream of an endowed scholarship became a reality in 2007.

The **LYNN HOWELL MEMORIAL ENDOWED SCHOLARSHIP** was established in 2013 by Lynn's husband, Dan Howell, to honor her dedication to the medical profession. The **NORMAN H. PARKS ENDOWED SCHOLARSHIP** was created by Mr. Parks in 1993 providing full tuition to middle-income students with academic promise - students who may fall through the cracks because they do not qualify for federal grants or financial aid. Mr. Parks enjoyed meeting his recipients each year at the Scholarship Social. Sadly, Mr. Parks passed away in 2005, but we honor his memory as his scholarships continue to assist students.

The **WERTHEIMER ENDOWED SCHOLARSHIP** was created as a result of Jeanne Wertheimer's generous donation of Fergusons Restaurant in 1994 to the Lower Columbia College Foundation. To qualify for the scholarship, students must be full time, pursuing an Associate's Degree, and participate in community service activities.

The **QUOIDBACH MEMORIAL ENDOWED SCHOLARSHIP** was created in 1986 from a gift in memory of Gabrielle M. Quoidbach to provide tuition assistance for part-time or full-time students with academic potential and civic service. In tribute to their mother, Robert Quoidbach and Val Quoidbach generously added to the original endowment. Long High School graduates and students pursuing music-related programs.
