SCHOLARSHIPS HOLD THE KEY TO SUCCESS!

Autumn marks a beautiful change in seasons, and at Lower Columbia College, it marks the beginning of a new academic year. LCC remains committed to students through innovation, dedicated staff and faculty, incredible student support, and a beautiful campus with state-of-the-art facilities, all of which help provide the foundation of education. However, the key to success begins with you!

In the 2018-19 academic year, the LCC Foundation awarded nearly \$400,000 in scholarships helping more than 200 students reach their educational goals. These scholarships turn dreams into reality for students who struggle financially while attending school. Your gifts are the key that lead to powerful changes within our community by unlocking the door to more opportunities and the hope of a brighter future for students.

Tonight's celebration is about honoring you, our community of donors, for helping students turn their educational dreams into reality. Thank you for investing in the lives of students. Scholarships financially and emotionally empower students who are intent on transforming their lives. Student determination and perseverance is encouraged through your scholarship support.

Tonight we also celebrate our students who have been given this gift of education. We are all cheering for you as you unlock the door to your future success. One day, we hope you will reflect back on this time and find yourself in a position to help students, who like you, are working hard to make their dreams come true.

Thank you for opening the door to a brighter future in our community!
