

LCC Foundation Endowments

Endowments are the gift that provide perpetual support for scholarships or other programs according to the intent of the donor. Endowments may be named in honor of loved one or to create a family legacy. The minimum required to establish an endowment is \$25,000, which may be pledged over time. The funds are invested to provide a permanent source of income, while the principal is always protected. Endowments are as of June 30, 2023.
