Doing Things Differently

2020

“Financial aid does not cover my full tuition, in conjunction with the current world issues affecting my finances, there is no way I could feasibly pay for tuition out-of-pocket. Receiving this award gives me a huge “leg up” and will enable me to continue my education! With a grateful heart, I’d just like to once again, thank you for generously awarding me with the Kelso Longview Chamber of Commerce Scholarship.”

~Shae, Scholarship Recipient

“Having scholarship money to help pay for school and tools for my program would help me a great deal. I am currently in school full time and not able to work. Any help I can get to keep me focused on my education and getting good grades will help me find good employment after graduation. This would be life-changing for me.”

~ Aaron, Scholarship Recipient

“Receiving a scholarship lessens a lot of daily stress. I am making just enough so that I no longer qualify for any other assistance like food or anything. All my wages are used to pay for rent, utilities and transportation to work and school so that doesn’t leave much for food.... To know that there is a way for me to be able to accomplish my goals, gives me more motivation to see a light at the end of the tunnel.”

~ Suzette, Scholarship Recipient

“By awarding me the Lt. George Dunn Scholarship you have taken some of the financial stress off my shoulders which in return will help me stay focused on the more important part of school. Thank you for your kind generosity!”

~ Jeran, Scholarship Recipient

DOING THINGS DIFFERENTLY

Lower Columbia College launched the new academic year a little differently, but our commitment to student success remains unchanged. This commitment is backed by an amazing and supportive community of donors and students who are also committed to transforming lives through education.

In the 2020-21 academic year, the LCC Foundation awarded more than \$440,000 in scholarships! Thank you, donors, for your incredible support during these challenging times. For students who have made the commitment to pursue a degree or certificate in the midst of a pandemic, obtaining an education has become even more challenging. Your generosity is truly humbling and with this support, our students can focus on being successful in this new learning environment. Thank you!

Congratulations, to all our student scholarship recipients for persevering in the face of personal, emotional, financial, and educational obstacles brought on by the pandemic. Regardless of these obstacles, you have made very intentional decisions to move forward in your education and strive to reach your goals. We encourage you to stay future-focused as the generous support of scholarships provides you with the opportunity to succeed and create wonderful opportunities for you and your families.

As we continue to focus on the future and the hope for some normalcy, we want you to keep believing in yourself, to continue learning and growing, to be willing to adapt, and to remember that you are unstoppable!

Congratulations and best wishes on a successful year ahead!
