GIVING THANKS FOR STUDENT SUCCESS AND ACHIEVEMENT!

Fall is a wonderful season for Lower Columbia College as it marks the beginning of another academic year for students, staff and faculty! The LCC campus is bustling with activity and we have a lot to be excited about, such as state-of-the-art facilities, supportive and innovative faculty and staff, and those bright futures waiting to be unlocked by the gift of higher education.

This is a great time for us to celebrate and give thanks to our community for all the support given to our students. This year, we awarded \$329,000 in scholarships to deserving students, some of whom could not go to college without this support. Each scholarship is both a gift and an investment in a student’s life. Tonight, we are honored to facilitate the opportunity for donors and students to give thanks and share their experiences.

Every scholarship has a story. The story of its creation may honor a loved one or a special program that impacted the donor. The story of its future is yet to be written in the life of the student who is honored to receive it.

Tonight, we give thanks to our community members for the investment you’ve made in the life of these students and give thanks for the important part you will play in their story and future success. We also give thanks to our students who are working hard every day to achieve their higher education dreams! We know you’ll remember this time in your life. And maybe someday, you will be able to help make another student’s dream come true.

Happy Season of Thanksgiving!
