INVESTING IN DREAMS - BECAUSE OPPORTUNITY CAN'T WAIT!

Sheila Timm

This booklet represents the powerful connection between our community's generosity and our students' determination. When we remove barriers to education today, we build a stronger tomorrow. Thank you for investing in educational dreams because ***Opportunity Can't Wait!***

Thank you, scholarship benefactors, for your generous investments in education at LCC. By helping students complete their degree or program, you are helping build a stronger, more skilled workforce for our community. Funding scholarships does far more than ease financial burdens; it provides inspiration and encouragement students need to reach their goals. You are the voice in their ear when they are tired or discouraged, whispering, "You can do this. Your education matters. Your future matters." Thank you for being the bridge between a student's dream and a future of opportunity.

Congratulations on your achievements, scholarship recipients! Your scholarship is not just a financial award, but an honor. A member of this community chose to invest in *your dreams and goals* because they believe in your talent and your value. We know the road to a degree or certificate is not easy, but we encourage you to keep going, finish what you started, and claim the future you deserve. You have a team of supporters cheering you on across the finish line.

Together, we are building a legacy of education and opportunity. We are proud to invest in the dreams of education and the goals of our students who are showing the world that Opportunity Can't Wait!

Dr. Kristen Finnel

Message from LCC's Interim President:

At LCC, we witness the power of education every single day in late-night study sessions, hands-on training in our labs, and the determination of students striving to build better lives for themselves and their families. As Interim President, I have the distinct privilege of seeing these daily triumphs, and on behalf of the faculty and staff, I write to you with a heart full of gratitude. It is your generosity that invests in the dreams of every one of these students.

We know that for our students, Opportunity Can't Wait. Many of them navigate complex lives. They are working parents, first-generation college students, and individuals retraining for a new career. They face barriers that can sometimes feel insurmountable. However, when they receive a scholarship funded by you, that burden is lightened.

Thank you for ensuring that opportunity awaits at LCC, and for helping make the dream of a college education possible.

Dr. Kristen Finnel
Interim President Lower Columbia College
