Thank you for supporting Lower Columbia College!

YOUR participation is valued and together we transform the lives of students through excellence in education! Please join the LCC Foundation in “Building Healthy Futures” for our students and community by investing in these strategic initiatives:

College Success Fund

A catalyst for institutional advancement and excellence in education

Through the College Success Fund, the Foundation is able to maintain innovative instruction and programs by providing funds to faculty, staff and areas of greatest need. By directing your giving toward the College Success Fund, your dollars are responsive to unique opportunities that help advance the mission of the college and maintain institutional excellence.

Student Success Fund

A safety net for students facing financial hardship

The LCC Foundation created the Student Success Fund to help students who are most at risk for abandoning their higher education goals due to financial hardship. Student Success funds help cover the cost of:

- Tuition and fees
- Emergent Childcare Expenses
- Emergent Transportation Expenses
- Other unforeseen Emergent Expenses

General Scholarship Fund

Scholarships make it possible for students to pursue a college education!

Out of pocket expenses for higher education are a barrier to many students. The scholarship fund helps students get started or finish their college degree or certificate, enabling them to obtain employment with sustainable wages, transforming their futures!

Athletic Excellence Fund

It's not just about sports, it's about student success

Athletic programs are an important avenue to education and careers for our student athletes who regularly rank near the top in academic achievement and go on to successful careers. In 2012, the Legislature mandated that state funding could no longer be used to support college athletics.

The Foundation is committed to helping bridge the funding gap to ensure the rich legacy of Red Devil athletic excellence continues. The LCC Athletic Excellence Fund supports student scholarships and will ensure program excellence for current, as well as future, student athletes.
