Declaration of Financial Support and Intent to Pre-Pay

International students admitted to Lower Columbia College must obtain a F-1 visa to enter and/or to remain in the U.S. This requirement applies to international students coming from abroad and international students transferring from another U.S. institution. In order for Lower Columbia College to issue an I-20 we must receive evidence of financial support.

- Students must also provide proof of funds in the form of a bank statement showing at least \$20,223 (or the equivalent in local currency). This bank statement must be less than 6 months old.
