# Prepare for a career in

# SOCIAL SCIENCE

LCC is an AA/EEO employer - [lowercolumbia.edu/aa-eeo](https://lowercolumbia.edu/aa-eeo)

LCC Clery Annual Security and Fire Safety Report available at [lowercolumbia.edu/CleryASFR](https://lowercolumbia.edu/CleryASFR)

## OVERVIEW

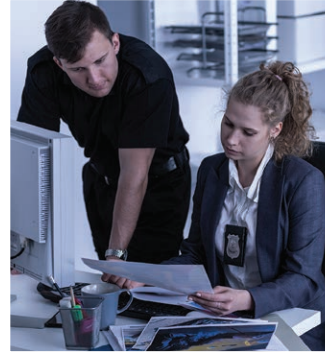

Social science focuses on the scientific study of human society and social relationships, including everything from why the economy grows to what makes people happy. The information and expertise provided by social scientists can help us function better as individuals, societies, and cultures. If you're interested in why people do what they do, how we govern ourselves, what we can learn from our history, or even how to think about life, this pathway may be for you.

## SKILLS & ABILITIES

Regardless of which degree option you choose within this pathway, you'll increase your knowledge and skills in the following areas:

- Communication
- Interpersonal Relations
- Critical Thinking
- Quantitative Literacy

## DEGREE OPTIONS

A wide variety of transfer degree options are available at LCC in this pathway in the following fields: Anthropology, Criminal Justice, Economics, History, Philosophy, Political Science, Pre-Law, Psychology, and Sociology.
