Sarah Marshall is a writer, podcaster, and media critic focused on setting straight our collective memory—or at least getting to the bottom of why we believe and in turn define ourselves by popular narrative and myth. Why is the maligned woman a staple of our news media? Why do we believe that serial killers are brilliant? How do we keep stumbling into all these moral panics? These are some of the questions that propel Sarah forward. She is the co-host of the popular modern history podcast *You're Wrong About*, which has been highlighted in *The New Yorker*, *The Guardian* and *Time Magazine*. Her writing has appeared in the *Believer*, *Buzzfeed* and the true crime collection *Unspeakable Acts*.

The public is invited to these free events.
