Workshop, 3:30-5 p.m. in Main, Room 233

An exploration of starts and beginnings; so much of writing is not thinking but grabbing ideas by the tails before they vanish — some odd exercises to leave everyone with a page of starters to take out for inky strolls on your own; with side commentary on hawks, basketball, great writers, and why the Lakers are the spawn of Satan.

Reading, Longview Public Library from 7-8 p.m.

Brian Doyle is the editor of *Portland Magazine* at the University of Portland. He is the author of many books of essays and fiction, notably the sprawling Oregon coast novel *Mink River* and the headlong sea novel *The Plover*.

The public is invited to these free events.
