Please certify that you have read and understand the following:

- I understand that any benefits I receive are determined by the VA, and I must be enrolled in an eligible program, leading to a degree or certificate at Lower Columbia College.
- I understand the classes taken each quarter must be required to complete my declared academic program to be eligible for VA Education Benefits.
- I understand I must submit **official** copies of **all** previous college transcripts (including Joint Services Transcripts if applicable) to the Lower Columbia College (LCC) Registration Office **before** I am eligible to be certified to receive VA Education Benefits. I also understand that failure to comply with this requirement will delay all certifications until completed.
- I understand that LCC cannot certify **online** remedial courses per VA guidelines. This is generally any course numbered **below** 100 level. Students are eligible for applicable **in-person** remedial courses.
- I understand that I must report to LCC's [School Certifying Official](#) if I withdraw from one or more classes, and I may be assessed an overpayment if my enrollment status changes.
- I agree to **immediately** report **any** changes to my name, address, or any other contact information to LCC's [School Certifying Official](#).
- During any quarter, if I cancel my enrollment after LCC has already processed my certification and the VA disbursed payment, I understand that I may be required to repay funds as determined by the VA.
- I understand that in order to have my enrollment certified with the VA each quarter, I must submit a *Quarterly Enrollment Certification Request*.

I affirm that the information provided on this form and any other documents provided are true, complete, and correct to the best of my knowledge.
