

2024-25 SPECIAL CIRCUMSTANCES FORM

When your financial aid was determined for the 2024-2025 award year, it was based on the information you provided on the Free Application for Federal Student Aid (FAFSA) or Washington Application for State Financial Aid (WASFA) for calendar year 2022. Unfortunately, families sometimes experience extenuating circumstances that affect their household financial situation. Some of these circumstances have a direct effect on the family's ability to pay towards the student's education. The Financial Aid Office will re-evaluate your financial aid eligibility only after receiving all requested and required documentation. The Financial Aid Office may use professional judgment, as long as it is within the intent of the law. Your request will be given careful consideration and will extend the processing time. **NOTE:** The Financial Aid Office is **NOT** required to adjust awards.
