Notes:

Not living with parent: Anyone not living with parents while attending college, regardless of marital status, independency, or number of children.

Border County: Multnomah, Washington, Columbia, and Clatsop residents pay slightly higher tuition than Washington residents. Students must have lived in a border county for at least 90 days.

*All dependent students will be given a "Living with Parent" COA unless the Financial Aid office is notified otherwise

**Tuition is based on 12 credits per term.

***Loan fees are only included in the Cost of Attendance for students borrowing a Federal Direct student loan
