

Art and Design (GRAPHIC DESIGN) - AA-DTA

2021-22

Program map for Art and Design (GRAPHIC DESIGN) Associate in Arts-Direct Transfer Agreement (AA-DTA)

At LCC, students may select beginning and advanced courses in a variety of artistic media, including design, drawing, ceramics, graphic design, painting and photography. A solid base in studio art combined with art history provides the basic liberal arts foundation essential for those interested in entering an art profession or transferring to complete a bachelor's degree in art.
