2024-25

[Return to Arts, Communication and Humanities Program Maps \(lowercolumbia.edu/program-maps/arts\)](https://lowercolumbia.edu/program-maps/arts)

Designed to serve students with an interest in music who are not planning to pursue a career in music education or performance. (Please note: the Music - DTA/MRP degree is highly preferred for all music students. Those seeking a musical career and/or transfer to a bachelor of music degree program at the university level must enroll the Music - DTA/MRP degree.) The Associate in Music AA-DTA degree offers students foundational music training in technical and academic areas such as: introductory music theory, ear training, sight singing, individual instruction, and ensemble participation.
