

Business - AA-DTA/MRP

2023-24

Program map for Business, Associate in Arts-Direct Transfer Agreement/ Major Ready Pathway (AA-DTA/MRP)

The Associate in Business degree program is designed for students planning to transfer to a university program in Washington. Management, accounting, marketing, finance, operations management, and human resources are some of the specializations available for those pursuing advanced studies.

Notes to students:

- You will need to have early contact with an advisor at the potential transfer institution regarding specific course choices in each area (Humanities, Social Science and Business Law or Introduction to Law) and for the electives.
- It is up to you to check with the transfer institution regarding requirements for overall minimum GPA, a minimum GPA in a selected subset of courses, or a specific minimum grade in one or more courses such as math or English.
