Program map for Bachelor of Applied Science in Teacher Education (BAS-TE)

Full-Time Cohort, Certificated Route

You can be on the path to making a difference in your community by earning a Bachelor of Applied Science degree in Teacher Education (BAS-TE). LCC's program will help you gain knowledge and skills to effectively work with students and collaborate with professionals throughout the field. This program is tailored for working adults with options for residency teacher certification or a focus in early care and education. LCC offers endorsements in elementary education and early childhood education.
