2021-22

Program map for Associate in Nursing-Direct Transfer Agreement/Major Ready Pathway (AN-DTA/MRP), LPN2RN Campus Based Opt-in Option

This degree prepares students for licensure and employment as a registered nurse, as well as for continuing nursing education for a baccalaureate degree in nursing. Students who complete this degree and pass the registered nurse license exam (NCLEX-RN) may enter participating Bachelor of Science in Nursing programs in Washington State as seniors. The Nursing Program is approved by the Washington State Nursing Care Quality Assurance Commission and accredited by the Accreditation Commission for Education in Nursing.
