Return to Health Sciences and Wellness Program Maps (lowercolumbia.edu/program-maps/health)

Students develop knowledge and skills necessary for employment in clinical and administrativesupport areas of medical clinics. See Learning Outcomes for details.

The Lower Columbia College Medical Assisting Program is accredited by the Commission on Accreditation of Allied Health Education Programs (CAAHEP). This assures the highest standards in a medical assisting curriculum and qualifies the successful graduate to sit for the national Certified Medical Assistant (CMA) exam administered by the American Association of Medical Assistants (AAMA).
