

Welding for BAS-OLTM - AAS-T (Transfer Option)

2023-24

Program map for Welding for BAS-OLTM in Applied Science - Transfer (AAS-T)

The Welding AAS-T degree prepares students for the state commercial welding examination or welding jobs in manufacturing, maintenance, or fabrication. Students must successfully complete the Washington Association of Building Officials (WABO) Qualification Test before earning a degree in Welding. This program also meets the academic requirements to apply for admittance into Lower Columbia's Bachelor of Applied Science degree in Organizational Leadership and Technical Management (BAS-OLTM) which prepares industry professionals for positions in leadership, management, and supervision.
