

Policy 460 - Tuition and Fees

The Board shall annually establish tuition and fees in accordance with state law and State Board for Community and Technical College requirements. Tuition and fees will be published on the LCC website. The term “tuition” as used in this policy consists of operating fees, building fees, services and activities fees, and other fees established through student referendum or legislative action. The term “fees” consists of lab and course fees, miscellaneous use fees and fines, waiver fees, and other special fees established by the Board.
