

Policy 601 - Facilities Philosophy

Lower Columbia College, recognizing the importance of providing and maintaining quality facilities and infrastructure that enhances the delivery of education and support services to our community, will provide for and operate its facilities in a safe, secure, effective and efficient manner. This includes establishing and implementing standards that ensure consistency, operational efficiency, safety, security, maintainability, and maximum utilization of those working and learning environments. These standards represent best use of state resources and are aligned with Lower Columbia College's mission and values.
