

Class Size & Student-Faculty Ratio

Class sizes vary depending on the discipline and available facilities and equipment. Certain disciplines, such as Nursing, must adhere to external standards that limit class size. Other disciplines, such as Machine Trades, Welding, and Automotive Technology, set class size according to the available equipment. The majority of LCC classes range from 15-35 students.

In 2018-19, LCC's overall student-faculty ratio was 19.14 (19.19 full-time equivalent students on campus for every full-time equivalent faculty) for all students, and 16.34 (16.34 full-time equivalent students on campus for every full-time equivalent faculty) for state-support students.
