

College and Career Preparation

College and Career Preparation (CCP)

College and Career Preparation (CCP) classes are designed to help adult students, 16 years or older, acquire the skills needed to keep up with a demanding, technology driven job market, affordably and conveniently. To accommodate busy schedules, classes are available morning, afternoon, evening, and in a variety of online formats to help students:

- earn credits required to complete a Washington State High School Diploma
- prepare for the General Education Development (GED) exam
- develop or refresh the knowledge and skills required for college-level classes
- prepare for college entrance exams

Students study English and math. Some classes are contextualized in science, history, government, occupational education, health, fine arts, and digital literacy. Classes are available on campus and online. Tuition is just \$25 per quarter. Financial assistance is available for those who need it. See below for contact and other important information.

Integrated Basic Education and Skills Training (I-BEST)

I-BEST helps students with a fast track to a career and student success.

- I-BEST students get twice the instruction and support.

- I-BEST students learn in a team teaching environment with up to five hours or more each week of assistance.
- I-BEST students can apply credits toward a professional-technical degree in a high-demand career field.

I-BEST instructors are available to students for up to five hours or more each week in an academic support classroom. College credits earned can be applied toward two year Associate degrees in high demand career fields.
