

Corporate and Continuing Education

Lower Columbia College Corporate and Continuing Education provides opportunities for individuals, businesses, and organizations to pursue their personal, professional, and corporate training goals.

Corporate and Continuing Education offers events, classes, customized training, workforce training, and activities to the local community. Explore classes in business and professional development, health and wellness, arts and culture, science and nature, certification (flagger, first aid/CPR, etc.) and computer technology. Each class allows participants to pursue their personal, professional, and corporate training goals. Online courses are available for both professional development and personal enrichment.

Help your business thrive through Corporate and Continuing Education customized training plans that help you attain your goals.

Whatever your choice, Corporate and Continuing Education makes lifelong learning fulfilling.

- Explore an interest or start a new hobby.
- Enhance your job skills through professional development and computer classes.
- Earn a certificate to further your professional portfolio.
