

Associate in Applied Science - Transfer (AAS-T)

Substance Use Disorder Studies

for LCC BAS-OLTM

The Substance Use Disorder program provides courses to meet the educational requirements of the State WAC 246-811-030 for licensure of Substance Use Disorder Professional (SUDP). The curriculum includes the understanding of the following topics specific to alcohol and drug addiction treatment of individuals: Pharmacological actions of alcohol and other drugs; treatment methods; record keeping and case management; cultural diversity; health issues; community resources; individual and group counseling; relapse prevention; working with specific groups, such as youth and families; and professional and ethical responsibilities. This program meets the academic requirements to apply for admittance into Lower Columbia's Bachelor of Applied Science degree in Organizational Leadership and Technical Management which prepares professionals for positions in leadership, technical management and supervision.

For a roadmap that identifies the preferred sequencing of courses and other specific recommendations from faculty, please see the corresponding program map(s):

- **Substance Use Disorder Studies - AAS-T (BAS-OLTM option) (lowercolumbia.edu/program-maps/health/AAS-T-Substance-Use-Disorder-Studies-BAS-OLTM-option)**
