

2c. Teacher Assessment Summary Form Procedure

The goals of the Teacher's Assessment Form is to provide referral information to various school districts. The form will be included in the referral packet given to the school district after a decision to further evaluate a student has been made.

1. Complete heading and identifying information.
2. Answer questions 1-3 on Teacher's Assessment Summary (DISA 2d) for each area circled.
3. Complete all information as requested.
4. Sign form and scan to Health Coordinator.
