

# Technology Systems at a Glance

## Canvas

**To login: use your ctcLink ID number (also called EMPLID) and ctcLink password.**

Canvas is the Learning Management System (LMS) LCC uses to facilitate your online, hybrid, and enhanced courses. To deliver content and connect with you, your instructor will use features including:

- Announcements
- Assignments
- Discussion boards
- Quizzes
- Grades

LCC offers a free, fully online orientation course for Canvas and lots of other online help.

## ctcLink

**To login: use your ctcLink ID number (also called EMPLID) and ctcLink password.**

ctcLink is LCC's operating system and mobile app, and is where you will conduct many of your basic transactions, including:

- Register for classes
- Review academic progress
- Request what-if reports
- Update personal details
- Manage planner (add or move classes to another term)
- View unofficial transcripts
- Get messages and notifications
- View class and exam schedule
- View your financial aid status

## Navigate

**To login: use your LCC email username (flintstonef) and LCC password.**

Navigate is a free online tool and mobile app that acts as your personal guide to help you get from application to graduation.

With Navigate, you can connect with your advisor, check your to-do list, review important due dates and events, find campus resources, explore careers and majors, and set reminders.
