Dear Campus Community,

Today, January 26th, a member of our Emergency Operations Team was notified that two LCC students and an LCC employee have tested positive for COVID-19. The individuals were last on campus January 24th and 25th in the Health and Science Building, Main Building, Student Center, Admissions Building, and Head Start East and are currently in isolation. All close contacts have been identified.

Due to privacy laws, we cannot share the name of the individual or other personally identifiable information. Individuals who are known to have direct close contact with this person, and people impacted by any cleaning-related facilities closures were contacted with specific instructions.

Anyone with [symptoms of COVID-19](#), or who may have been exposed to someone with a confirmed case, is encouraged to self-quarantine and contact their health care provider for guidance.
