Dear Campus Community,

Today, January 27th, a member of our Emergency Operations Team was notified that an LCC student and two LCC employee have tested positive for COVID-19. The individuals were last on campus January 24th, 25th, and 26th in the Health and Science Building, Student Center, Admissions Building, Library Building, and Gymnasium/Fitness Center and are currently in isolation. All close contacts have been identified.

Additionally, a building was inadvertently left off of the email from the 24th. The Campus Services Building should have also been listed.
