In memory of Ryan Wolf, a 9 year old child who passed away due to an accident, Kelso Youth Baseball has created the Ryan Wolf Memorial Scholarship. Ryan always wanted to see everyone involved and made sure that even the underdog got to play or be involved in everything. Ryan loved baseball and his world rotated around it. Everyone he met he treated the same and we are sure he would want everyone to have a chance to continue their education. For this reason we are honored to start this scholarship in his name.
