

Locker Room Policies

The following policies are in place for your protection as well as for the protection of your personal items. Lower Columbia College is not responsible for any lost, stolen, or items left on site. Use of the locker rooms and lockers is at your own risk.

- Locker rooms are available to all current LCC Fitness Center members with valid state ID or valid student ID.
- A limited number of lockers are available for checkout by students who are enrolled in a PHED class. Locks can be checked out and lockers assigned on a quarterly basis by students showing valid ID & proof of registration for a PHED class. Lockers must be cleaned out and locks returned to the front desk by the last day of the same quarter. If a locker is not cleaned out and the lock returned by the end of the quarter, the lock will be removed from the locker, the belongings will be bagged, and the items will be sent to lost and found located at the security department.
- Daily lockers are available for drop-in or day use only. You must bring your own lock. When you have finished your workout session for the day, you must remove your lock and take your belongings with you. All locks not removed by the daily closing time of the Fitness Center will be cut off by security and the contents of the locker will be taken to the lost and found located at the security department. The Fitness Center does not keep lost and found items.
- Do not leave anything unattended in the locker rooms at any time. Do not leave anything in a locker unless you have locked it. The locker rooms are not secure areas.
- No one is allowed to photograph or take video of another individual or group without their prior consent.
