Approved as written.
- VI. Adoption of Minutes**
 - a. Tim moved to approve the minutes, Sydney seconded the motion.
Approved as written.
- VII. Guest Presentations**
 - a. Dani Trimble – Bill Analysis**
 - i. There are three bills being considered for community and technical colleges that affect homeless students and foster youth. These look at what higher education can do for these students including laundry, storage, locker rooms, shower facilities, and access to short term and housing assistance. HB 1572 and 1738 are in the

state House of Representatives and Senate, respectively. The house bill is looking to create a pilot program in two community colleges and two universities while the other bill does not include a pilot program.

- ii. Dani explained how the Daily News is interested in homeless students and is planning an article on it.

VIII. Unfinished Business

- a. None

IX. New Business

a. Anime Club Fund Request

- i. Sydney moved to approve the fund request, Tim seconded the motion. Sydney moved to amend the fund request to match the club's \$1348 in their fundraising budget. Tim seconded the motion. The amendment is approved. The motion is approved.
